He happens to have his camera at the ready when he spots a Cézanne being loaded onto a plumber's truck near the home of an absent collector. Odd, thinks Andre. And in no time he's on the trail of a state-of-the-art art scam, chasing Cézanne. It's a joy to follow him and the crowds intent on speeding or foiling his quest--including a beautiful agent; a super-savvy art dealer attracted to the finer things in life, especially if they promise the payoff of a lifetime; an awesome Dutch forger; some outstandingly greedy New York sophisticates; and, invisible in the background, the parade of
