The Book of Unknown Americans Sep 06 2021 "Illuminate[s] the lives behind the current debates about Latino immigration." —The New York Times Book Review When fifteen-year-old Maribel Rivera sustains a terrible injury, the Riveras leave behind a comfortable life in Mexico and risk everything to come to the United States so that Maribel can have the care she needs. Once they arrive, it's not long before Maribel attracts the attention of Mayor Toro, the son of one of their new neighbors, who sees a kindred spirit in this beautiful, damaged outsider. Their love story sets in motion events that will have profound repercussions for everyone involved. Here Henríquez seamlessly interweaves the story of these star-crossed lovers, and of the Rivera and Toro families, with the testimonials of men and women who have come to the United States from all over Latin America. *The Book of Unknown Americans* is a stunning novel of hopes and dreams, guilt and love—a book that offers a resonant new definition of what it means to be American. Named a New York Times and Washington Post Notable Book, an NPR Great Read, *The Daily Beast's* Novel of the Year, and a Mother Jones, Oprah.com, School Library Journal, and BookPage Best Book of the Year

Praying for Emily Oct 15 2019 Discover the incredible true story of Emily Whitehead, the first child to receive CAR-T cell treatment for her leukemia -- and learn how her family's faith journey guided them in the fight for her life. When their five-year-old daughter was diagnosed with leukemia, Tom and Kari Whitehead's world was shattered. They vowed to do whatever it took to help their daughter,

and as they made decisions about how to best treat her, Tom found his faith coming to him in "whispers," guiding his decisions and keeping his hope alive, while Kari placed great faith in science and the doctors surrounding her little girl. But as Emily's condition continued to worsen, they both prayed for a miracle. Then, their miracle arrived, in the form of an experimental treatment called CAR-T cell therapy that, against all odds, saved Emily's life. Because of Emily's miraculous recovery, this treatment is now used widely to treat cancer and has gone on to save hundreds of lives and promises to help thousands more. For all the acclaim and attention this important new approach to treating cancer has received, few know the full story of all it took to make this miracle happen. In *Praying for Emily*, the Whiteheads share their story, recounting the belief, resilience, and support that got them through the most difficult time of their lives.

A Wrinkle in Time Mar 20 2020 Madeleine L'Engle's ground-breaking science fiction and fantasy classic, now a major motion picture. It was a dark and stormy night; Meg Murry, her small brother Charles Wallace, and her mother had come down to the kitchen for a midnight snack when they were upset by the arrival of a most disturbing stranger. "Wild nights are my glory," the unearthly stranger told them. "I just got caught in a downdraft and blown off course. Let me sit down for a moment, and then I'll be on my way. Speaking of ways, by the way, there is such a thing as a tesseract." A tesseract (in case the reader doesn't know) is a wrinkle in time. To tell more would rob the reader of the enjoyment of Miss L'Engle's unusual book. *A Wrinkle in Time*, winner of the Newbery Medal in 1963, is the story of the adventures in space and time of Meg, Charles Wallace, and Calvin O'Keefe (athlete, student, and one of the most popular boys in high school). They are in search of Meg's father, a scientist who disappeared while engaged in secret work for the government on the tesseract problem. *A Wrinkle in Time* is the winner of the 1963 Newbery Medal. It is the first book in *The Time Quintet*, which consists of *A Wrinkle in Time*, *A Wind in the Door*, *A Swiftly Tilting Planet*, *Many Waters*, and *An Acceptable Time*. *A Wrinkle in Time* is now a movie from Disney, directed by Ava DuVernay, starring Storm Reid, Oprah Winfrey, Reese Witherspoon and Mindy Kaling. [Things Fall Apart](#) Jul 24 2020 *THINGS FALL APART* tells two overlapping, intertwining stories, both of which center around Okonkwo, a "strong man" of an Ibo village in Nigeria. The first of these stories traces Okonkwo's fall from grace with the tribal world in which he lives, and in its classical purity of line and economical beauty it provides us with a powerful fable about the immemorial conflict between the individual and society. The second story, which is as modern

as the first is ancient, and which elevates the book to a tragic plane, concerns the clash of cultures and the destruction of Okonkwo's world through the arrival of aggressive, proselytizing European missionaries. These twin dramas are perfectly harmonized, and they are modulated by an awareness capable of encompassing at once the life of nature, human history, and the mysterious compulsions of the soul. THINGS FALL APART is the most illuminating and permanent monument we have to the modern African experience as seen from within.

Into the Wild Jan 18 2020 Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and

renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

Consumer Bankruptcy Feb 17 2020 The second edition of *Consumer Bankruptcy* is a case book designed for a two- or three-unit law school course focusing solely on the unique issues that arise under the United States Bankruptcy Code when an individual with primarily consumer debts files for bankruptcy. The book fully explores the complexities introduced in 2005 with the enactment of the Bankruptcy Abuse Prevention and Consumer Protection Act, legislation that clearly sets out consumer bankruptcies as a very technical sub-specialty in the field of bankruptcy. Covered in this book are the barriers to entry by a consumer into chapter 7 liquidation, issues relating to discharge of debt, chapter 13 plans and chapter 13 cases converted to chapter 7. About the author: David Gray Carlson is Professor of Law at the Benjamin N. Cardozo School of Law. He is the author of a treatise on secured credit in bankruptcy and of over sixty law review articles on various aspects of bankruptcy and debtor-creditor law. Five of these articles concern the effect of the 2005 Bankruptcy Abuse Prevention and Consumer Protection Act, which revolutionized the law of consumer bankruptcies. He has taught a basic bankruptcy course for 25 years, before concluding that consumer bankruptcies had become such a sub-specialty that it is better taught in a course separate from the basic course. Besides teaching at Cardozo Law School, Carlson has taught at George Washington University Law School, University of Miami Law School, University of Michigan Law School and Washington & Lee School of Law.

[The King Must Die](#) Apr 20 2020 New York Times Bestseller: This retelling of the Greek myth of Theseus, king of Athens, is “one of the truly fine historical novels of modern times” (The New York Times). In myth, Theseus was the slayer of the child-devouring Minotaur in Crete. What the founder-hero might have been in real life is another question, brilliantly explored in *The King Must Die*. Drawing on modern scholarship and archaeological findings at Knossos, Mary Renault’s Theseus is an utterly lifelike figure—a king of immense charisma, whose boundless strivings flow from strength and weakness—but also one steered by implacable prophecy. The story follows Theseus’s adventures from Troizen to Eleusis, where the death in the book’s title is to take place, and from Athens to Crete, where he learns to jump

bulls and is named king of the victims. Richly imbued with the spirit of its time, this is a page-turner as well as a daring act of imagination. Renault's story of Theseus continues with the sequel *The Bull from the Sea*. This ebook features an illustrated biography of Mary Renault including rare images of the author.

In the Time of the Butterflies Nov 27 2020 It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leonidas Trujillo's dictatorship. It doesn't have to. Everybody knows of *Las Mariposas*—"The Butterflies." In this extraordinary novel, the voices of all four sisters—Minerva, Patria, María Teresa, and the survivor, Dedé—speak across the decades to tell their own stories, from hair ribbons and secret crushes to gunrunning and prison torture, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human cost of political oppression.

"[Erich Maria Remarque] is a craftsman of unquestionably first rank."—The New York Times Book Review I am young, I am twenty years old; yet I know nothing of life but despair, death, fear, and fatuous superficiality cast over an abyss of sorrow. . . . This is the testament of Paul Bäumer, who enlists with his classmates in the German army during World War I. They become soldiers with youthful enthusiasm. But the world of duty, culture, and progress they had been taught breaks in pieces under the first bombardment in the trenches. Through years of vivid horror, Paul holds fast to a single vow: to fight against the principle of hate that meaninglessly pits young men of the same generation but different uniforms against one another

Smith's Guide to Chapter 7 Bankruptcy for Prisoners Oct 07 2021 When Zachary A. Smith's father died unexpectedly while Zachary was incarcerated, he received a small inheritance from his father's estate. The State of Missouri filed a civil suit against him under the Missouri Incarceration Reimbursement Act (MIRA). Smith secured a dismissal of the State's suit, but the State appealed and the dismissal was overturned. The court entered judgment against Smith, ordering the Missouri Department of Corrections to collect 90% of any money deposited into his inmate account by friends and family. Seeing that fighting the MIRA case in state court was getting him nowhere, Smith started researching United States Bankruptcy Codes and found a loophole. A fundamental goal of the federal bankruptcy laws enacted by Congress is to give debtors a financial "fresh start" from burdensome debts. In *Local Loan Co. v. Hunt*, 292 U.S. 234, 244 (1934), the Supreme Court made this point about the purpose of the bankruptcy law: It gives to the honest but unfortunate debtor...a new opportunity in life and a clear field for future effort, unhampered by the pressure and discouragement of preexisting debt. This goal is accomplished through the bankruptcy discharge, which releases debtors from personal liability from specific debts and prohibits creditors from ever taking any action against them to collect those debts. All SMITH'S GUIDES are made to be as helpful as possible (see also "SMITH'S GUIDE to Habeas Corpus Relief for State Prisoners Under 28 U.S.C. 2254," and "SMITH'S GUIDE to Executive Clemency for State and Federal Prisoners"). At the end of each chapter, the reader will find completed examples of the forms required to be filed in order to start their bankruptcy case. The reader will also find blank forms at the end of this book, which may be removed, filled out, and filed with the appropriate bankruptcy court. Of course, this book is not just for the type of debt discussed above, it is for the prisoner (or nonprisoner) who has outstanding debts and wants a fresh start. "SMITH'S GUIDE to Chapter 7 Bankruptcy for Prisoners" is an invaluable resource guide for prisoners and civilians alike, who need financial freedom from their past debts.
