***Beyond the H-1b Oct 27 2020 H-1B visas are one of the most popular and controversial visas used to hire foreign professionals. Because of their usefulness and limited availability, they are difficult to obtain. There is currently an annual cap of eighty-five thousand for new H-1B visas, and within days of the start of the filing season in April each year, the cap is reached. It is time to explore other options. Business immigration lawyer, author and speaker, Giselle Carson provides a practical guide to lesser-known work visas that could get you just as far as the H-1B visa-as well as creative exemptions to the H-1B cap. She shows you different categories of work authorization and the requirements for each in a straightforward, matter-of-fact style. She also provides insider tips and answers some of the most common questions about work authorization, visas, and***

*Travel Visa Guide Feb 23 2023 This book is a guide designed to make your visa application process easier, save your time and take away the stress you have to go through during the visa process. A lot of travelers around the world face visa denial due to lack of education and information about visas. As an Entrepreneur and an Author, I saw this as a global issue and turned this problem into an opportunity. This book features: introduction to travel visa, Types of visas, visa application process, general documents required for a visa, visa interview questions and answers, non-immigrant and immigrants visas, step by step guide to study abroad, a guide to fill US, UK, Canada, Australia and Schengen visa application forms and lastly, the importance of having a visa*

*A Pratical Guide for H1b Visa Dec 29 2020 This is a H-1B visa guide book for international students and professionals, by one of them. I am not an immigration attorney, but in the past several years, I did a lot research on my own and also consulted immigration attorneys on this subject multiple times. Relying on what I learned, I sailed through different type of H-1B related issues (except the H-1B lottery, which I never experienced) and walked out some very challenging situations an international professional may face. I also noticed that the only few available books about this topic was oriented to help employers rather than international students and professionals. For the international students and professionals on this journey just like me, there should have a simple book including most of the answer they are*
