Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle. Haynes manuals are written specifically for the do-it-yourselfer, yet are complete enough to be used by professional mechanics. Since 1960 Haynes has produced manuals written from hands-on experience based on a vehicle teardown with hundreds of photos and illustrations, making Haynes the world leader in automotive repair information. This official centennial salute to the trucks of General Motors Corporation and its predecessors traces their history through photos, advertisements, and other historical data. Provides a decade-by-decade glimpse at various model changes, lists important personnel, and discusses available commercial and consumer vehicle lines. Includes pickups, busses, and commercial trucks. Using a Haynes manual is like having a mechanic in every book. Our mechanics and writers work together on the project vehicle to arrive at the best possible procedures for the home mechanic and then photograph the actual work and write instructions so the reader can easily follow along. Haynes manuals include procedures for everything from routine maintenance to complete engine overhaul, and include wiring diagrams in the back of each book. The unique nature of Haynes manuals - with each one written and photographed from the "hands-on" experience gained by a complete teardown and rebuild of the vehicle - continues to set Haynes manuals apart from all others. Paperback - 8-1/4" x 10-3/4" - 350 pp - 840 b/w This essential book for maintaining and modifying Chevy C/K Series trucks relates the history of Chevrolet's engineering and technology advancements, provides buyer's guide tips for new and used trucks, includes in-depth preventive maintenance and tuning information covering all GM engines, and explains how to build a 383 stroker small-block V-8 for maximum power. Photos & illustrations. The most trustworthy source of information available

today on savings and investments, taxes, money management, home ownership and many other personal finance topics. Complete step-by-step repair and maintenance information, 700+ photos, and wiring diagrams all based on a full disassembly and reassembly of the vehicle. 365 Sports Cars You Must Drive puts you in the driver's seat of a century's worth of sports car legends (and a few rather less legendary), each presented with a fun and informative profile and fact-and-spec box. It's the ultimate gearhead's bucket list and poses the challenge: How many have you driven? Whoever coined the phrase "getting there is half the fun" must have owned a sports car. And the wag who suggested that "it's the journey not the destination"? Probably driving a Lotus or MG at the time. From towering icons like Ferrari, Lamborghini, Porsche, and Corvette to everyman sportsters from Triumph, MG, Sunbeam, and Miata to oddballs like Crosley, Sabra, and DB, sports cars inspire passion and strong opinions as few other vehicles on the road can. In one beautiful book, long-time Road & Truck magazine chief photographer John Lamm, along with other top motoring contributors, gives the reader illustrated profiles of every sports car you've ever dreamed of driving! Now, imagine if you could drive a different sports car—any sports car—every single day for a year. Which would you choose? Models covered: VW Golf, GTI, Jetta and Cabrio 1999 through 2002. Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle. Praise for Brand Advocates "Ignite your Advocates! Fuggetta shows you how." —SCOTT MONTY, Head of Social Media, Ford "Creating and amplifying authentic Advocates should be front and center on every marketer's agenda. This book is a blueprint for how to turn genuine Advocates into a powerful marketing force." —SUSAN HELSTAB, Executive Vice President of Marketing, Four Seasons Hotels and Resorts "Advocacy is the ultimate goal for every brand. And Rob Fuggetta has given us the ultimate guidebook to brand advocacy. Simple, clear, and filled with practical advice, this book shows you how to turn your enthusiastic customers into a powerful Brand Army." —PORTER GALE, former Vice President of Marketing, Virgin America "In an era of connected consumerism, advocacy puts the word in word of mouth. Nothing is more authentic or effective. This book shows you exactly how to find and engage your advocates." —BRIAN SOLIS, Principal Analyst, Altimeter Group, and author, The End of Business as Usual "Inspiring Advocates is one of Method's seven obsessions. Get this book and be inspired. Highly recommended!" —ERIC RYAN, Cofounder, Method "Fuggetta's equation for building great brands in the social media age is proven and powerful. Every hotel marketer should read this book." —CHIP CONLEY, Founder, Joie De Vivre Hospitality, and author, Emotional Equations "Brand Advocates is a book every public relations professional should read. It's the definitive guide to authentic advocacy." —AEDHMAR HYNES, Chief Executive Officer, Text 100 Public Relations "Companies aren't trusted, brands aren't trusted, and nor are your executives. People trust each other, and now they have the tools to communicate with each other using social technologies and mobile, with or without brands involved. As a result, trust has shifted to the participants. Many brands, knowing their credibility has diminished, rely on advocacy programs where trusted members of the community are given a platform and encouraged to speak. Fuggetta shows you exactly how to create an advocacy program that empowers your trusted Advocates." —JEREMIAH OWYANG, Partner, Altimeter Group The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics. Steers buyers through the the confusion and anxiety of new and used vehicle purchases like no other car-and-truck book on the market. "Dr. Phil," along with George Iny and the Editors of the Automobile Protection Association, pull no punches. Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.
