Amazing Facts in Science, Grades 6 - 12 Aug 05 2021 Connect students in grades 5 and up with science using *Amazing Facts in Science*. This 128-page book broadens students' knowledge of animals, plants, rocks and minerals, the physical world, and the universe. The unusual facts ignite students' interest in science and stimulate class discussion. Explanations for each fact include elaborate details and can be duplicated for further study.

Study and Master Life Sciences Grade 12 Learner's Book Apr 01 2021 *Study & Master Life Sciences Grade 12* has been developed with the help of practising teachers and covers all the requirements of the National Curriculum Statement for Life Sciences. Special features of the Learner's Book include: • module openers, which clearly explain to the learner the outcomes for that module • boxes listing key concepts which assist learners whose home language may not be English, to deal with new terms • investigations in which learners solve problems, design solutions, set up tests and controls, and record their results • assessment activities, ensuring continuous self, peer and group assessment • case studies and projects, which deal with issues related to the real world and move learners beyond the confines of the classroom • activities which are structured in a logical way, progressing to new and complex learning.
