Powys Jun 24 2020

Owen Glendower Aug 19 2022 It is the year 1400, and Wales is on the brink of a bloody revolt. At a market fair on the banks of the River Dee, a gathering of peasants, bards, prophets, heretics, and soldiers, a mad rebel priest and his beautiful companion are condemned to be burned at the stake. To their rescue rides the unlikely figure of Rhisiart, a young Oxford scholar whose fate will be entangled with that of Owen Glendower, the last true Prince of Wales, a man called, at times against his will, to fulfill the prophesied role of national redeemer

A Glastonbury Romance Nov 22 2022 "A Glastonbury Romance," first

published in 1932, is Powys masterwork, an epic novel of terrific cumulative force and lyrical intensity. In it he probes the mystical and spiritual ethos of the small English village of Glastonbury, and the effect upon its inhabitants of a mythical tradition from the remotest past of human history - the legend of the Grail. Powys's rich iconography interweaves the ancient with the modern, the historical with the legendary, and the imaginative within man with the natural world outside him to create a book of astonishing scope and beauty.

John Cowper Powys Feb 19 2020

Petrushka and the Dancer Aug 27 2020 Day-to-day preoccupations - from the aesthetic to the anatomical - are here, along with reflections on his works in progress (books on philosophy, religion and literature, and five novels including *A Glastonbury Romance*), encounters with members of his family, and observations of rural life in upstate New York, in his beloved West Country, and in Wales. The entries also chart the complexities of his exceptional intimate life with Phyllis Playter, to form her biography as well as his autobiography.

Ducdame May 16 2022 Decay of an English country family.

Weymouth Sands Mar 14 2022 Drawing on his vivid childhood memories of the seaside town of Weymouth, author John Cowper Powys creates a striking collection of human oddities, through which he shows his deep sympathy for the variety, the eccentricity, the essential loneliness of human beings. "To encounter Powys is to arrive at the very fount of creation."—Henry Miller.

The Meaning of Culture Aug 07 2021 'Mr. Powys is to be congratulated on having written a book of the kind that most needs writing and most deserves to be read...Here in a dozen chapters of eloquent and glowing prose, Mr. Powys describes for every reader that citadel which is himself, and explains to him how it may be strengthened and upheld and on what terms it is most worth upholding.. The virtue of his book is that it is freshly and clearly

focussed to meet the present situation to encourage and establish developing experience in growing minds' Manchester Guardian  
Wolf Solent Feb 25 2023 First published in 1929, John Cowper Powys's novel of Eros and ideas was compared with works by Shakespeare, Thomas Hardy, and D.H. Lawrence. Wolf Solent remains wholly unrivaled in its deft and risky balance of mysticism and social comedy, ecstatic contemplation of nature and unblinking observation of human folly and desire. Forsaking London for Ramsgard, Wolf Solent discovers a world of pagan splendor and medieval insularity, riddled by ancient scandals and resentments. And there this poetic young man meets two women—the sensuous beauty Gerda and the ethereal gamine Christie—who will become the sharers of his body and soul. "A novelist of great, cumulative force and lyrical intensity. . . . Out of his rhapsodic style and keen attentiveness to nature, he builds a tower of prose to match the firmament."—Washington Post Book World

Rethinking Powys Mar 22 2020 JOHN COWPER POWYS A new collection of essays on John Cowper Powys (1872-1963). H.W. Fawcner's essay "Venus" explores issues of reading, movement, love and sex, the 'amorous self', and affectivity in *A Glastonbury Romance*. Ian Hughes looks at the genre of Powys's novels, and how the philosophical romances were influenced by Walter Pater's *Marius the Epicurean*. Janina Nordius discusses the crucial Powys theme of (transcendental) solitude in the key novel of the Powys-self alone, *Wolf Solent*. Joe Boulter's essay concentrates on the affinities between modernism and postmodernism, pragmatism and deconstruction, in one of Powys's late novels, *The Inmates*, via thinkers such as William James, Michel Foucault, Gilles Deleuze and Félix Guattari. ? By the time he started writing his most admired works around 1929 - the four Wessex novels (*Wolf Solent*, *A Glastonbury Romance*, *Weymouth Sands* and *Maiden Castle*), the two Welsh epics (*Owen Glendower* and *Porius*), and the unsurpassed *Autobiography* - John Cowper Powys was in his late fifties. By then, he had already been a philosopher, a successful lecturer (with packed-out lectures in the U.S.A.), a

storyteller, a would-be magician and a poet. Powys loved writing, whether it was letters, essays, novels or philosophical commentaries. He lived mainly from his writing after 1930, after nearly 30 years of lecturing (mainly in the United States). He produced many books, which included novels, philosophical essays, poetry, correspondence and literary criticism. Some of the writers that Powys knew personally included Theodore Dreiser, Thomas Hardy, William Barnes, W.B. Yeats, Dorothy Richardson, Aleister Crowley and Bertrand Russell. In America, Powys was friends with Dreiser, Edna Vincent Millay, Edgar Lee Masters, and Arthur Davison Ficke. He also met E.E. Cummings, Amy Lowell, Edmund Wilson, F. Scott Fitzgerald, Marianne Moore, Ford Maddox Ford and Will Durant, and performers such as Charlie Chaplin and Isadora Duncan.

Porius Feb 13 2022 In a Roman fort in Wales at the turn of the sixth century, Porius, the son of a reigning prince, is aided by Merlin the magician, Nineue, and Medrawd in a battle for cultural survival.

DESCENTS OF MEMORY Dec 23 2022 John Cowper Powys's works have been described as 'the only novels produced by an English writer that can fairly be compared to the fictions of Tolstoy and Dostoevsky ? with an immensity to which only Blake could provide a parallel in English literature' (George Steiner, The New Yorker). His talents were

manifested by such books as his Autobiography, *Wolf Solent*, *Weymouth Sands*, and *A Glastonbury Romance*. In this, Powys's first comprehensive biography, eminent scholar Morine Krissdottir delves into the life of the writer, from his childhood in Derbyshire through his celebrated lecture tours through England and the US; from his life's loves to his relationship with his own writing. Krissdottir demonstrates that Powys - known as much for his essays, letters, poetry, and philosophy as he was for his fiction - was a man whose writing had a scope matched only by the breadth of his life. Using primary sources, never-before-seen archival materials (including photos), and Powys's own writings, Krissdottir pieces together this life in a way that will be impossible to forget
