He'd like to win a prize, get picked first, call a coin toss right, even! But his best friend, Genesis Beam (aka Gen), believes in science and logic, and she doesn't think for one second that there's such a thing as luck, good or bad. She doesn't care what names the other kids call them. She cares about being right, about saving the turtles of Paradise Beach, and she cares about Nate. Then, on his birthday, at the Goofy Golf mini-golf course, Nate is struck by lightning -- and survives! Suddenly baseballs are drawn to his bat-popular kids want HIM on their side. It seems the whole town of Paradise Beach thinks Nate has the magic touch. But is there room for Gen in Nate's lucky new world? Lucky Strike tells the unforgettable story of two vulnerable outsiders and what luck is really all about. The Security+ certification is CompTIA's answer to the market's need for a baseline, vendor-neutral security certification. The IT industry recognizes there is a need to better train, staff, and empower those tasked with designing and implementing information security, and Security+ is an effort to meet this demand. Security+ will become the baseline certification for Microsoft's new security certification initiative (to be announced in 2003). This book is not intended to teach new material. Instead it assumes that you have a solid foundation of knowledge but can use a refresher on important concepts as well as a guide to exam topics and objectives. This book focuses exactly on what you need to pass the exam - it features test-taking strategies, time-saving study tips, and a special Cram Sheet that includes tips, acronyms, and memory joggers not available anywhere else. The series is supported online at several Web sites: examcram.com, informit.com, and cramsession.com. The accompanying CD features PrepLogic™ Practice Tests, Preview Edition. This product includes one complete PrepLogic Practice Test with approximately the same number of questions found on the actual vendor exam. Each question contains full, detailed explanations of the correct and incorrect answers. The engine offers two study modes, Practice Test and Flash Review, full exam customization, and a detailed score report. This packet helps students learn place value and related concepts by practicing with hundreds, tens, and ones. Practice pages include motivational activities, riddles, and pictures. An answer key is included. These pages may be assigned as class lessons, individual work, or homework activities.
