New in this edition: -- (Bass Instruction). Peter Murray's book, which scored an "A+" rating from Bass Player magazine, provides bassists with everything they need to know to play effectively, helping them master the basics, and then explore what's beyond. Essential to any bass player! "Once in a while, a book comes along that stands head and shoulders above the endless rows of 'method books' that fill the racks in music stores. This is one of those exceptional books. If you're a beginner, study of Murray's method could save you from countless hours of frustration (and possibly injury) by showing you the correct way to use you hands right from the start; if you're a more advanced player, it should help you to refine your ability and overcome the technical barriers that can block further development. Bravo!" Jim Roberts, Bass Player magazine Presents instructional material on playing blues and rock music on the guitar. From Jimi Hendrix to Ed Sheeran, every guitar hero started somewhere - so stop dreaming and start playing! Covering acoustic and electric, this book includes everything you need to know, from choosing your instrument and reading guitar tab, to using amplifiers and effects. Easy-to-follow

lessons take you through all the steps to becoming a great guitar player: from tuning for beginners to advanced techniques for experienced players such as fingerpicking and two-handed tapping.
