Thank you very much for reading **Indian Horse Richard Wagamese**. As you may know, people have look numerous times for their chosen readings like this Indian Horse Richard Wagamese, but end up in malicious downloads.

Rather than enjoying a good book with a cup of coffee in the afternoon, instead they cope with some infectious virus inside their computer.

Indian Horse Richard Wagamese is available in our digital library an online access to it is set as public so you can get it instantly. Our book servers hosts in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Kindly say, the Indian Horse Richard Wagamese is universally compatible with any devices to read

Recognizing the showing off ways to get this ebook **Indian Horse Richard Wagamese** is additionally useful. You have remained in right site to begin getting this info. acquire the Indian Horse Richard Wagamese member that we give here and check out the link.

You could purchase guide Indian Horse Richard Wagamese or get it as soon as feasible. You could quickly download this Indian Horse Richard Wagamese after getting deal. So, when you require the ebook swiftly, you can straight acquire it. Its suitably unquestionably easy and thus fats, isnt it? You have to favor to in this space

This is likewise one of the factors by obtaining the soft documents of this **Indian Horse Richard Wagamese** by online. You might not require more era to spend to go to the ebook launch as without difficulty as search for them. In some cases, you likewise do not discover the message Indian Horse Richard Wagamese that you are looking for. It will no question squander the time.

However below, in the same way as you visit this web page, it will be as a result very simple to get as capably as download guide Indian Horse Richard Wagamese

It will not give a positive response many time as we accustom before. You can accomplish it while do its stuff something else at home and even in your workplace. as a result easy! So, are you question? Just exercise just what we come up with the money for below as competently as review **Indian Horse Richard Wagamese** what you as soon as to read!

When somebody should go to the book stores, search start by shop, shelf by shelf, it is in fact problematic. This is why we provide the ebook compilations in this website. It will definitely ease you to look guide **Indian Horse Richard Wagamese** as you such as.

By searching the title, publisher, or authors of guide you in reality want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. If you want to download and install the Indian Horse Richard Wagamese, it is categorically easy then, back currently we extend the link to purchase and make bargains to download and install Indian Horse Richard Wagamese correspondingly simple!

A New York Times Book Review Editors' Choice Named a Michigan Notable Book for 2023 Finalist for the 2022 Heartland Booksellers Award A gorgeous, unflinching love letter to Flint, Michigan, and the resilience of its people, Kelsey Ronan's *Chevy in the Hole* follows multiple generations of two families making their homes there, with a stunning contemporary love story at its center. In the opening pages of *Chevy in the Hole*, August "Gus" Molloy has just overdosed in a bathroom stall of the Detroit farm-to-table restaurant where he works. Shortly after, he packs it in and returns home to his family in Flint. This latest slip and recommitment to sobriety doesn't feel too terribly different from the others, until Gus meets Monae, an urban farmer trying to coax a tenuous rebirth from the city's damaged land. Through her eyes, he sees what might be possible in a city everyone else seems to have forgotten or, worse, given up on. But as they begin dreaming up an oasis together, even the most essential resources can't be counted on. Woven throughout their story are the stories of their families—Gus's white and Monae's Black—members of which have had their own triumphs and devastating setbacks trying to survive and thrive in Flint. A novel about the things that change over time and the things that don't, *Chevy in the Hole* reminds us again and again what people need from one another and from the city they call home. "An expansive work about healing, resilience, humanity, respect, inheritance, Indigenous teachings, and most of all, love" from the author of *Indian Horse* (Literary Hub). "We may not relight the fires that used to burn in our villages, but we can carry the embers from those fires in our hearts and learn to light new fires in a new world." Ojibwe tradition calls for fathers to walk their children through the world, sharing the ancient understanding "that we are all, animate and inanimate alike, living on the one pure breath with which the Creator gave life to the Universe." In this intimate series of letters to the six-year-old son from whom he was estranged, Richard Wagamese fulfills this traditional duty with grace and humility, describing his own path through life—separation from his family as a boy, substance abuse, incarceration, and ultimately the discovery of books and writing—and braiding this extraordinary story with the teachings of

his people, in which animals were the teachers of human beings, until greed and a desire to control the more-than-human world led to anger, fear, and, eventually, profound alienation. At once a deeply moving memoir and a fascinating elucidation of a rich indigenous cosmology, *For Joshua* is an unforgettable journey. “Told lyrically and unflinchingly, *For Joshua* is both a letter of apology and another attempt at self-identification for the writer. A must-read for Wagamese fans, and a good primer for his novels.” —Minneapolis StarTribune “A well-written, introspective book on fatherhood and loss that will especially interest readers and students of First Nations life and literature.” —Library Journal “An unforgettable work of art.” —The National Post

Saul Indian Horse is dying. Tucked away in a hospice high above the clash and clang of a big city, he embarks on a marvellous journey of imagination back through the life he led as a northern Ojibway, with all its sorrows and joys. With compassion and insight, author Richard Wagamese traces through his fictional characters the decline of a culture and a cultural way. For Saul, taken forcibly from the land and his family when he's sent to residential school, salvation comes for a while through his incredible gifts as a hockey player. But in the harsh realities of 1960s Canada, he battles obdurate racism and the spirit-destroying effects of cultural alienation and displacement. Indian Horse unfolds against the bleak loveliness of northern Ontario, all rock, marsh, bog and cedar. Wagamese writes with a spare beauty, penetrating the heart of a remarkable Ojibway man. Drawing on his great-grandfather's mystical gift of vision, Saul Indian Horse comes to recognize the influence of everyday magic on his own life. In this wise and moving novel, Richard Wagamese shares that gift of magic with readers as well. A subarctic mine on the far eastern shores of Great Bear Lake provided Canadian uranium for the bombs detonated over Japan in August 1945. However, a complete history of Canada's involvement in the Manhattan Project and the development of the atomic bomb has been thwarted by restrictions on classified documents.

**NATIONAL BESTSELLER** From the beloved, bestselling author of *Indian Horse* and *Medicine Walk*, Richard Wagamese's final novel is a rapturous and profoundly moving story of love, compassion, mercy, and the consolations to be found in the natural world. Frank Starlight has long settled into a quiet life working his remote farm, occasionally venturing into the unbroken country around his property to photograph the wild animals who thrive there. His contemplative existence comes to an abrupt end with the arrival of Emmy, a woman on the run who has committed a desperate act so she and her child can escape a life of abuse. Frank takes in Emmy and her daughter to help them get back on their feet, and, gradually, this accidental family grows into a real one. But Emmy's violent ex-boyfriend isn't content to just let her go. He wants revenge and is determined to hunt her down. An instant national bestseller, *Starlight* was unfinished at the time of Richard Wagamese's death, yet every page radiates with his masterful storytelling, intense humanism, and insights that are as hard-earned as they are beautiful. With astonishing scenes set in the rugged backcountry of the B.C. Interior, and characters whose scars cut deep even as their journey toward healing and forgiveness lifts us, *Starlight* is a magnificent last gift to readers from a writer who believed in the power of stories to save us. Born in 1930 in a small town outside Winnipeg, beautiful Hope Koop appears destined to have a conventional life. Church, marriage to a steady young man, children—her fortunes are already laid out for her, as are the shiny modern appliances in her new home. All she has to do is stay with Roy, who loves her. But as the decades unfold, what seems to be a safe, predictable existence overwhelms Hope. Where—among the demands of her children, the expectations of her husband and the challenges of her best friend, Emily, who has just read *The Feminine Mystique*—is there room for her? And just who is she anyway? A wife, a mother, a woman whose life is somehow unrealized? This beautifully crafted and perceptive work of fiction spans some fifty years of Hope Koop's life in the second half of the 20th century, from traditionalism to feminism and beyond. David Bergen has created an indelible portrait of a seemingly ordinary woman who struggles to accept herself as she is, and in so doing becomes unique. When Julia Zarankin saw her first red-winged blackbird at the age of thirty-five, she didn't expect that it would change her life. Recently divorced and auditioning hobbies during a stressful career transition, she stumbled on birdwatching, initially out of curiosity for the strange breed of humans who wear multi-pocketed vests, carry spotting scopes and discuss the finer points of optics with disturbing fervour. What she never could have predicted was that she would become one of them. Not only would she come to identify proudly as a birder, but birding would ultimately lead her to find love, uncover a new language and lay down her roots. *Field Notes from an Unintentional Birder* tells the story of finding meaning in midlife through birds. The book follows the peregrinations of a narrator who learns more from birds than she ever anticipated, as she begins to realize that she herself is a migratory species: born in the former Soviet Union, growing up in Vancouver and Toronto, studying and working in the United States and living in Paris. Coming from a Russian immigrant family of concert pianists who believed that the outdoors were for “other people,” Julia Zarankin recounts the challenges and joys of unexpectedly discovering one's wild side and finding one's tribe in the unlikeliest of places. Zarankin's thoughtful and witty anecdotes illuminate the joyful experience of a new discovery and the surprising pleasure to be found while standing still on the edge of a lake at six a.m. In addition to confirmed nature enthusiasts, this book will appeal to readers of literary memoir, offering keen insight on what it takes to find one's place in the world. “The most profound truth in the universe is this: that we are all one drum and we need each other.” —Richard Wagamese, *One Drum*

Fans of Richard Wagamese's writing will be heartened by the news that the bestselling author left behind a manuscript he'd been working on until shortly before his death in 2017. *One Drum* welcomes readers to unite in ceremony to heal themselves and bring harmony to their lives and communities. In *One Drum*, Wagamese wrote, “I am not a shaman. Nor am I an elder, a pipe carrier, or a celebrated traditionalist. I am merely one who has trudged the same path many of this human family has—the path of the seeker, called forward by a yearning I have not always understood.” *One Drum* draws from the foundational teachings of Ojibway tradition, the Grandfather Teachings. Focusing specifically on the lessons of humility, respect and courage, the volume contains simple ceremonies that anyone anywhere can do, alone or in a group, to foster harmony and connection. Wagamese believed that there is a shaman in each of us, and we are all teachers and in the world of the spirit there is no right way or wrong way. Writing of neglect, abuse and loss of identity, Wagamese recalled living on the street, going to jail, drinking too much, feeling rootless and afraid, and then the feeling of hope he gained from connecting with the spiritual ways of his people. He expressed the belief that ceremony has the power to unify and to heal for people of all backgrounds. “When that happens,” he wrote, “we truly become one song and one drum beating together in a common purpose—and we are on the path to being healed.” Set in the second half of the nineteenth century, in the American and Canadian West and in Victorian England, *The Last Crossing* is a sweeping tale of interwoven lives and stories Charles and Addington Gaunt must find their brother Simon, who has gone missing in the wilds of the American West. Charles, a disillusioned artist, and Addington, a disgraced military captain, enlist the services of a guide to lead them on their journey across a difficult and unknown landscape. This is the enigmatic Jerry Potts, half Blackfoot, half Scottish, who suffers his own painful past. The party grows to include Caleb Ayto, a sycophantic American journalist, and Lucy Stoveall, a wise and beautiful woman who travels in the hope of avenging her sister's vicious murder. Later, the group is joined by Custis Straw, a Civil War veteran searching for salvation, and Custis's friend and protector Aloysius Dooley, a saloon-keeper. This unlikely posse becomes entangled in an unfolding drama that forces each person to come to terms with his own demons. *The Last Crossing* contains many haunting scenes – among them, a bear hunt at dawn, the meeting of a Métis caravan, the discovery of an Indian village decimated by smallpox, a sharpshooter's devastating annihilation of his prey, a young boy's last memory of his mother. Vanderhaeghe links the hallowed colleges of Oxford and the pleasure houses of London to the treacherous Montana plains; and the rough trading posts of the Canadian wilderness to the heart of Indian folklore. At the novel's centre is an unusual and moving love story. *The Last Crossing* is Guy Vanderhaeghe's most powerful novel to date. It is a novel of harshness and redemption, an epic masterpiece, rich with unforgettable characters and vividly described events, that solidifies his place as one of Canada's premier storytellers. In 2005, award-winning writer Richard Wagamese moved with his partner to a cabin outside Kamloops, B.C. In the crisp mountain air Wagamese felt a peace he'd seldom known before. Abused and abandoned as a kid, he'd grown up feeling there was nowhere he belonged. For years, only alcohol and moves from town to town seemed to ease the pain. In *One Native Life*, Wagamese looks back down the road he has travelled in reclaiming his identity and talks about the things he has learned as a human being, a man and an Ojibway in his fifty-two years. Whether he's writing about playing baseball, running away with the circus, attending a sacred bundle ceremony or meeting Pierre Trudeau, he tells these stories in a healing spirit. Through them, Wagamese celebrates the learning journey his life has been. Free of rhetoric and anger despite the horrors he has faced, Wagamese's prose resonates with a peace that has come from acceptance. Acceptance is an Aboriginal principle, and he has come to see that we are all neighbours here. *One Native Life* is his tribute to the people, the places and the events that have allowed him to stand in the sunshine and celebrate being alive. From Goncourt Prize-winning

author Jérôme Ferrari, a bewitching story of passion, death, and love, and a powerful reflection on the ambiguous relationship between art and reality Born in a small town in Corsican countryside, Antonia grows up in a place of deeply-rooted traditions and strong family ties. When she's fourteen, her uncle, a priest, gives her a camera--suddenly changing the way she looks at the world and igniting a passion that will prompt her to become a photojournalist. Over two decades later, Antonia is walking around the port of Calvi when she runs into Dragan, a soldier whom she had met when she was reporting on the war in the former Yugoslavia. The two spend the entire night in deep conversation, reminiscing about their experience of the conflict. Shortly after saying goodbye, as she drives home Antonia loses control of her car, plunges off a cliff and is killed instantly. Tasked with officiating his niece's funeral, Antonia's uncle is forced to reflect on her life and legacy, and on the profound questions they beg about ambition and doubt, passion and guilt, representation and reality. Wide in scope but rich in detail, restrained yet deeply moving, *In His Own Image* masterly weaves together the story of an individual life with universal themes that resonate across time and space. Having developed an impressive reputation for his many novels and non-fiction works, Richard Wagamese now presents a collection of stunning poems ranging over a broad landscape. He begins with an immersion in the unforgettable world where "the ancient ones stand at your shoulder . . . making you a circle / containing everything." These are Medicine teachings told from the experience of one who lived and still lives them. He also describes his life on the road when he repeatedly ran away at an early age, and the beatings he received when the authorities tried "to beat the Indian right out of me." Yet even in the most desperate situations, Wagamese shows us Canada as seen through the eyes and soul of a well-worn traveller, with his love of country, his love of people. Through it all, there are poems of love and music, the language sensuous and tender. 'They said that twenty-five percent of the population would catch the flu. Between seventy and eight percent of them would die. He had been directly exposed to it, and the odds weren't good.' A CITY IN QUARANTINE London, the epicenter of a global pandemic, is a city in lockdown. Violence and civil disorder simmer. Martial law has been imposed. No-one is safe from the deadly virus that has already claimed thousands of victims. Health and emergency services are overwhelmed. A MURDERED CHILD At a building site for a temporary hospital, construction workers find a bag containing the rendered bones of a murdered child. A remorseless killer has been unleashed on the city; his mission is to take all measures necessary to prevent the bones from being identified. A POWERFUL CONSPIRACY D.I. Jack MacNeil, counting down the hours on his final day with the Met, is sent to investigate. His career is in ruins, his marriage over and his own family touched by the virus. Sinister forces are tracking his every move, prepared to kill again to conceal the truth. Which will stop him first - the virus or the killers? Written over fifteen years ago, this prescient, suspenseful thriller is set against a backdrop of a capital city in quarantine, and explores human experience in the grip of a killer virus. Four chronically homeless people—Amelia One Sky, Timber, Double Dick and Digger—seek refuge in a warm movie theatre when a severe Arctic Front descends on the city. During what is supposed to be a one-time event, this temporary refuge transfixes them. They fall in love with this new world, and once the weather clears, continue their trips to the cinema. On one of these outings they meet Granite, a jaded and lonely journalist who has turned his back on writing “the same story over and over again” in favour of the escapist qualities of film, and an unlikely friendship is struck. A found cigarette package (contents: some unsmoked cigarettes, three \$20 bills, and a lottery ticket) changes the fortune of this struggling set. The ragged company discovers they have won \$13.5 million, but none of them can claim the money for lack proper identification. Enlisting the help of Granite, their lives, and fortunes, become forever changed. *Ragged Company* is a journey into both the future and the past. Richard Wagamese deftly explores the nature of the comforts these friends find in their ideas of “home,” as he reconnects them to their histories. Commissioned to carve a spirit mask for a mysterious stranger, Lucas Smoke finds his life controlled by disturbing nightmares of his client, an ancient sorcerer named Him Standing, who endeavors to emerge from the dream world. My life as a Kane was lit in the Indigos, Aquamarines and Magentas of a home built on quiet faith and prayer. But Johnny changed all that. Where I had stood transfixed by the gloss on the surface of living, he called me forward from the pages of the books, away from the blinders that faith can surreptitiously place upon your eyes and out into a world populated by those who live their lives in the shadow of necessary fictions. Suddenly I didn't like Hardy much. Beyond the charm and the dazzle was a coldness that worried me. His henchmen were buffoons, but there was a hard ugliness behind their playful natures. Still, the roll of bills felt good in my hand. Cree Thunderboy has two things he does well: he plays a mean blues guitar, and he has a knack for picking winning horses at the track. Picking winners is just a means to an end; Cree's goal is to be the next great bluesman. When he meets Win Hardy, it looks like he might be able to parlay his special skill with the horses into a shot at the fame and fortune he seeks. So long as he can pick the next sure thing. Onetime lovers, unexpected rivals... Emmett McCabe never expected to see Sydney Stevens—a woman with whom she'd shared a brief, incendiary connection before it all went up in flames—again. Luckily, ascending the cutthroat ladder of a high-pressure surgery residency to reach the top spot makes it easy to ignore what's missing in her life. Then Sydney reappears after nearly five years. Emmett is barely over her shock when she discovers Sydney is her new competition for the coveted chief's position everyone, including Emmett, expects will be hers. Professional rivalry and long-simmering passions create a combustible combination when the two are forced to work together, especially when past attractions won't stay buried. A cowboy forced into early retirement bonds with a stubborn teenager in this novel from the award-winning author of *Indian Horse* and *Medicine Walk*. Canadian champion bull-rider Joe Willie Wolfchild is poised to win the most sought-after title in rodeo when a devastating accident at the National Finals leaves his body and ambitions in tatters. Unsure of what else to do, he retires to the panoramic family ranch, Wolfcreek, to mend. Claire Hartley and her fifteen-year-old son Aiden have nearly been torn apart by abusive boyfriends and an unjust world when a friend sends them to the Wolfchild ranch. Thrown together by terrible circumstance, it appears Aiden and Joe Willie have more in common than their childhoods would suggest. After a rocky start, they strike a deal: Aiden will help Joe Willie repair his '34 Ford V8 pickup if the former champion teaches the city kid how to ride a bull. As Wagamese reveals their story, he rewrites the history of the North American cowboy. In taut, muscular prose, Wagamese explores how independence, self-determination, and a return to cultural tradition can heal body, mind, and community. “Richard Wagamese is a born storyteller, and *Dream Wheels* is his finest book yet. Cover to cover, a ripping read.”—Louise Erdrich, *New York Times* - bestselling author of *The Night Watchman* “A worthy testament to the healing power of family and tradition.”—Publishers Weekly “Ojibwa author Wagamese mixes cowboy lore and Native American mysticism in this affecting novel about the healing effects of family.... His soaring descriptions of the desert landscape, action-packed rodeo scenes, and reverence for hearth and home will strike a chord with readers.”—Booklist Labyrinths have been around for a very long time. In fact, they have been used outside of formal religion as a ritual object to express spiritual values for at least 3500 years in countries all over the world, including China, India, the Holy Land, Ireland, Southern Europe, Scandinavia, pre-Columbian North America, and England. They can be found at Neolithic and Sardinian and Hopi rock art sites, in Hindu temples and Taoist shrines, bordering Minoan frescoes, and in Roman mosaics. They have been incorporated into Roman Catholic and Episcopal cathedrals, Protestant churches, and in New Age retreat centres. They have been carved into rocks, turf, and wood; engraved in metal; laid out in stones; woven in reeds; set in tiles; painted and drawn. In other words, the labyrinth is a nearly universal form and comes as close as we can to an archetype. An archetype is a symbol that appeals to us at an unconscious level. We don't have to struggle with its meaning intellectually. Its symbolic meaning is somehow ingrained in us, part of our very nature. As a result, it may appeal to us without our even understanding why. It is always risky to talk about the meaning of such an archetypal symbol. We know that it must carry a wealth of meaning to appeal to so many different sorts of people over such a long stretch of time. But we can, tentatively, explore some of its meanings if we stay aware that we can never really plumb all of its riches. An explosive, groundbreaking album that crowned a new king of rock in just 33 minutes Before Elvis Costello was one of Rolling Stone's greatest artists of all time, before he was inducted into the Rock and Roll Hall of Fame, he was Declan P. McManus, an office drone with a dull suburban life and a side gig in a pub rock band. In 1976, under the guidance of legendary label Stiff Records, he transformed himself into the snarling, spectacled artist who defied the musical status quo to blaze the trail for a new kind of rock star with his debut album, *My Aim Is True*. In *Elvis Is King*, Richard Crouse examines how the man, the myth, and the music of this arrestingly original album smashed the trends of the era to bridge the gap between punk and rock 'n' roll. "Life sometimes is hard. There are challenges. There are difficulties. There is pain. As a younger man I sought to avoid them and only ever caused myself more of the same. These days I choose to face life head on—and I have become a comet. I arc across the sky of my life and the harder times are the friction that lets the worn and tired bits drop away. It's a good way to travel; eventually I will wear away all resistance until all there is left of me is light. I can

live towards that end." —Richard Wagamese, *Embers* In this carefully curated selection of everyday reflections, Richard Wagamese finds lessons in both the mundane and sublime as he muses on the universe, drawing inspiration from working in the bush—sawing and cutting and stacking wood for winter as well as the smudge ceremony to bring him closer to the Creator. *Embers* is perhaps Richard Wagamese's most personal volume to date. Honest, evocative and articulate, he explores the various manifestations of grief, joy, recovery, beauty, gratitude, physicality and spirituality—concepts many find hard to express. But for Wagamese, spirituality is multifaceted. Within these pages, readers will find hard-won and concrete wisdom on how to feel the joy in the everyday things. Wagamese does not seek to be a teacher or guru, but these observations made along his own journey to become, as he says, "a spiritual bad-ass," make inspiring reading. *Annette and Lucien* are enemies. After Annette gets Lucien into trouble at school, he decides to get back at her by threatening the most precious thing in the world to her: her little brother Dani. But tragedy strikes. Annette is so filled with rage she sets out to alienate and humiliate Lucien at every turn. As Lucien seeks to repent and restore, light floods both of their dark hearts and Christ proves that He makes all things new. The play is filled with a new take on language that is fun for all ages. The volume brings together two previously published novellas by Richard Wagamese, *Him Standing* and *The Next Sure Thing*, with a foreword from author Waubgeshig Rice. Both stories follow the lives of young men who have dreams for a better future. In their search for fame and fortune, Cree Thunderboy and Lucas Smoke end up on paths where their biggest challenge is staying true to themselves. In *Him Standing*, Lucas Smoke learns the art of carving from his grandfather. He discovers that he is a natural; he can literally make people come to life in wood. But when Lucas is asked to carve a spirit mask by a mysterious stranger, he quickly learns that his skill with a knife could cost him his dreams. In *The Next Sure Thing*, Cree Thunderboy has two things he does well: playing blues guitar and picking winning horses at the track. Picking winners is just meant to be a means to an end—Cree's goal is to make his living playing the blues. He meets a powerful man at the racetrack who convinces him he can parlay his special skill with the horses into a shot at the fame and fortune he seeks. Celebrated author Richard Wagamese artfully crafts these thrilling yet vulnerable stories of two young men trying to find their place in the world. When Garnet Raven was three years old, he was taken from his home on an Ojibway Indian reserve and placed in a series of foster homes. Having reached his mid-teens, he escapes at the first available opportunity, only to find himself cast adrift on the streets of the big city. Having skirted the urban underbelly once too often by age 20, he finds himself thrown in jail. While there, he gets a surprise letter from his long-forgotten native family. The sudden communication from his past spurs him to return to the reserve following his release from jail. Deciding to stay awhile, his life is changed completely as he comes to discover his sense of place, and of self. While on the reserve, Garnet is initiated into the ways of the Ojibway--both ancient and modern--by Keeper, a friend of his grandfather, and last fount of history about his people's ways. By turns funny, poignant and mystical, *Keeper'n Me* reflects a positive view of Native life and philosophy--as well as casting fresh light on the redemptive power of one's community and traditions. The True Story Behind the Events on 9/11 that Inspired Broadway's Smash Hit Musical *Come from Away*, Featuring All New Material from the Author When 38 jetliners bound for the United States were forced to land at Gander International Airport in Canada by the closing of U.S. airspace on September 11, the population of this small town on Newfoundland Island swelled from 10,300 to nearly 17,000. The citizens of Gander met the stranded passengers with an overwhelming display of friendship and goodwill. As the passengers stepped from the airplanes, exhausted, hungry and distraught after being held on board for nearly 24 hours while security checked all of the baggage, they were greeted with a feast prepared by the townspeople. Local bus drivers who had been on strike came off the picket lines to transport the passengers to the various shelters set up in local schools and churches. Linens and toiletries were bought and donated. A middle school provided showers, as well as access to computers, email, and televisions, allowing the passengers to stay in touch with family and follow the news. Over the course of those four days, many of the passengers developed friendships with Gander residents that they expect to last a lifetime. As a show of thanks, scholarship funds for the children of Gander have been formed and donations have been made to provide new computers for the schools. This book recounts the inspiring story of the residents of Gander, Canada, whose acts of kindness have touched the lives of thousands of people and been an example of humanity and goodwill. *The Leave-Takers* is a twenty-first-century American love story and a tale of internal migration to the Great Plains. Finding happiness at 80+, from the perspective of an octogenarian. Author Ralph Milton wants readers to know that old age is not a disease circling the world ready to pounce on anyone over eighty. Many, maybe even most, old people, say they are happier and more contented than they have ever been. And that's good news because Canadians are living much, much longer. In fact, octogenarians are the county's fastest growing demographic. To quote the author, "Society has never had to deal with such a huge bunch of old people." To address this societal shift, *Well Aged* offers a candid, useful and entertaining insider's take on life among the old, old. Not the recently retired who are enjoying Arizona winters and unlimited golf, but those in their last years, usually in the eighty- to one- hundred-year-old bracket. While there is good material written by health-care professionals for other professionals, and popular non-fiction to inspire the recently retired, there is virtually nothing written at the non-professional level for the oldest of the old. Or for their families and care givers. This book is a free wheeling, down to earth, inside look at what it's really like to be old, written by an insider and sprinkled liberally with humour. Topics include: Identity and independence Choosing a retirement location among the options of independent living, retirement residences and nursing homes Personal health needs and priorities Community support, friendships and recreation Spirituality and religion Intimacy, companionship, sexuality, homosexuality Loneliness, depression and frailty Leaving a legacy and end of life arrangements When the situation of elderly Canadians does get public attention, as it has during the Covid-19 pandemic, the focus is on what can go wrong. *Well Aged* is intended to expand the conversation around aging, and it is a must-read for anyone who needs to put out their birthday cake with a fire extinguisher—as well as those who love and care for them. Winner of the Scott O'Dell Award for Historical Fiction, *Chickadee* is the first novel of a new arc in the critically acclaimed *Birchbark House* series by New York Times bestselling author Louise Erdrich. Twin brothers *Chickadee* and *Makoons* have done everything together since they were born—until the unthinkable happens and the brothers are separated. Desperate to reunite, both *Chickadee* and his family must travel across new territories, forge unlikely friendships, and experience both unexpected moments of unbearable heartache as well as pure happiness. And through it all, *Chickadee* has the strength of his namesake, the chickadee, to carry him on. *Chickadee* continues the story of one Ojibwe family's journey through one hundred years in America. *School Library Journal*, in a starred review, proclaimed, "Readers will be more than happy to welcome little *Chickadee* into their hearts." A First Nations former hockey star looks back on his life as he undergoes treatment for alcoholism in this novel from the author of *Dream Wheels*. *Saul Indian Horse* is a child when his family retreats into the woods. Among the lakes and the cedars, they attempt to reconnect with half-forgotten traditions and hide from the authorities who have been kidnapping Ojibway youth. But when winter approaches, Saul loses everything: his brother, his parents, his beloved grandmother—and then his home itself. Alone in the world and placed in a horrific boarding school, Saul is surrounded by violence and cruelty. At the urging of a priest, he finds a tentative salvation in hockey. Rising at dawn to practice alone, Saul proves determined and undeniably gifted. His intuition and vision are unmatched. His speed is remarkable. Together they open doors for him: away from the school, into an all-Ojibway amateur circuit, and finally within grasp of a professional career. Yet as Saul's victories mount, so do the indignities and the taunts, the racism and the hatred—the harshness of a world that will never welcome him, tied inexorably to the sport he loves. Spare and compact yet undeniably rich, *Indian Horse* is at once a heartbreaking account of a dark chapter in our history and a moving coming-of-age story. "Shocking and alien, valuable and true... A master of empathy." —Jane Smiley, Pulitzer Prize-winning author of *Golden Age* "A severe yet beautiful novel.... *Indian Horse* finds the granite solidity of Wagamese's prose polished to a lustrous sheen; brisk, brief, sharp chapters propel the reader forward." —Donna Bailey Nurse, *National Post* (Toronto) *Saul Indian Horse* has hit bottom. His last binge almost killed him, and now he's a reluctant resident in a treatment centre for alcoholics, surrounded by people he's sure will never understand him. But Saul wants peace, and he grudgingly comes to see that he'll find it only through telling his story. With him, readers embark on a journey back through the life he's led as a northern Ojibway, with all its joys and sorrows. With compassion and insight, author Richard Wagamese traces through his fictional characters the decline of a culture and a cultural way. For Saul, taken forcibly from the land and his family when he's sent to residential school, salvation comes for a while through his incredible gifts as a hockey player. But in the harsh realities of 1960s Canada, he battles obdurate racism and the spirit-destroying effects of cultural alienation and displacement. *Indian Horse* unfolds against the bleak loveliness of northern Ontario, all rock, marsh, bog and cedar. Wagamese writes with a spare

beauty, penetrating the heart of a remarkable Ojibway man. We meet him late in life: a quiet man, a good father and husband, a fixture in his Brooklyn neighborhood, a landlord and barber with a terrifying scar across his face. As the book unfolds, moving seamlessly between Haiti in the 1960s and New York City today, we enter the lives of those around him, and learn that he has also kept a vital, dangerous secret. Edwidge Danticat's brilliant exploration of the "dew breaker"--or torturer--s an unforgettable story of love, remorse, and hope; of personal and political rebellions; and of the compromises we make to move beyond the most intimate brushes with history. It firmly establishes her as one of America's most essential writers. BONUS: This edition includes an excerpt from Edwidge Danticat's *Claire of the Sea Light*. A quirky story about finding your voice, from internationally acclaimed author Heena Baek. Tong Tong could never have imagined what everyone around him was thinking. But when he gets hold of some magic candies, suddenly there are voices everywhere. He can hear how his couch feels, what upsets his dog, that his demanding dad loves him. He even gets to catch up with his dead grandmother. It turns out, these voices in Tong Tong's life have A LOT to say! Is Tong Tong ready to hear it? At turns funny, weird, and heartfelt, this imaginative picture book from award-winning Korean author Heena Baek will take readers along on Tong Tong's journey as he goes from lonely to brave. The Piper family is steeped in secrets, lies, and unspoken truths. At the eye of the storm is one secret that threatens to shake their lives -- even destroy them. Set on stormy Cape Breton Island off Nova Scotia, *Fall on Your Knees* is an internationally acclaimed multigenerational saga that chronicles the lives of four unforgettable sisters. Theirs is a world filled with driving ambition, inescapable family bonds, and forbidden love. Compellingly written, by turns menacingly dark and hilariously funny, this is an epic tale of five generations of sin, guilt, and redemption. Richard Wagamese, one of Canada's most celebrated Indigenous authors and storytellers, was a writer of breathtaking honesty and inspiration. Always striving to be a better, stronger person, Wagamese shared his journey through writing, encouraging others to do the same. Following the success of *Embers*, which has sold almost seventy thousand copies since its release in 2016, this new collection of Wagamese's non-fiction works, with an introduction by editor Drew Hayden Taylor, brings together more of the prolific author's short writings, many for the first time in print, and celebrates his ability to inspire. Drawing from Wagamese's essays and columns, along with preserved social media and blog posts, this beautifully designed volume is a tribute to Wagamese's literary legacy. In the remote Kootenay Valley in western Canada, good people sometimes do bad things. Two bullied adolescents sabotage a rope swing, resulting in another boy's death. A heartbroken young man chooses not to warn his best friend about an approaching car. Sons challenge fathers and break taboos. Crackling with tension and propelled by jagged, cutting dialogue, D.W. Wilson's stories reveal to us how our best intentions can be doomed to fail or injure, how our loves can fall short or mislead us, how even friendship - especially friendship - can be something dangerously temporary. An intoxicating cocktail of adrenaline and vulnerability, doggedness and dignity, *Once You Break a Knuckle* explores the courage it takes just to make it through another day. A First Nations man helps his estranged father find a place to die in this novel by the award-winning author of *One Drum and Indian Horse*. "Richard Wagamese is a born storyteller."—Louise Erdrich When Franklin Starlight is called to visit his father, he has mixed emotions. Raised by the old man he was entrusted to soon after his birth, Frank is haunted by the brief and troubling moments he has shared with his father, Eldon. When he finally travels by horseback to town, he finds Eldon on the edge of death, decimated from years of drinking. The two undertake a difficult journey into the mountainous backcountry, in search of a place for Eldon to die and be buried in the warrior way. As they travel, Eldon tells his son the story of his own life—from an impoverished childhood to combat in the Korean War and his shell-shocked return. Through the fog of pain, Eldon relates to his son these desolate moments, as well as his life's fleeting but nonetheless crucial moments of happiness and hope, the sacrifices made in the name of love. And in telling his story, Eldon offers his son a world the boy has never seen, a history he has never known. "Deeply felt and profoundly moving...written in the kind of sure, clear prose that brings to mind the work of the great North American masters; Steinbeck among them."—Jane Urquhart, award-winning author of *The Night Stages* "A novel about the role of stories in our lives, those we tell ourselves about ourselves and those we agree to live by."—Globe and Mail Walking out on a demoralizing second marriage, Maggie Lloyd leaves Vancouver to work at a fishing lodge in the interior of British Columbia. But the serenity of Maggie's new surroundings is soon disturbed by the irrational jealousy of the lodge-keeper's wife. Restoring her own broken spirit, Maggie must also become a healer to others. In this, she is supported by her eccentric friend, Nell Severance, whose pearl-handled revolver - the Swamp Angel - becomes Maggie's ambiguous talisman and the novel's symbolic core. Ethel Wilson's best-loved novel, *Swamp Angel* first appeared in 1954. It remains an astute and powerful study of one woman's integrity and of the redemptive power of compassion. The summer before going into high school, Fiona receives a mysterious box in the mail, one that she hopes will answer her questions about her Anishinaabe Indian heritage. It contains stories written by the grandfather she never knew, an Anishinaabe man her mother refuses to talk about. As she reads his stories about blackbirds and bigfoot, as well as tales about Indians in space and homeless Native men camping by the river in Minneapolis, Fiona finds other questions arising—questions about her grandfather and the experiences that shaped his stories, questions about her mother's silence regarding the grandfather she never knew. Fiona's desire to know more and her mother's reluctance to share stir up bitter feelings of anger and disappointment that slowly transform as she reads the stories into a warmer understanding of the difficulties of family, love, and the weight of the past.
