Justice is a great thing when someone has been wronged or violated. We want those guilty held accountable for the crime they have committed. In this book you will read true stories of real case files of Detective Ron Wallace. The stories are real but the names of the victim's and suspect have been changed to protect their identity. The street names have also been changed. Some of

the cases in this book will touch your heart and then be filled with excitement. The book has been formatted into a case file format like a real case file. I have tried to bring my experiences as a Police Detective to book form and give the reader a feel of being a Detective. I hope this book may inspire readers to make sure that if someone they know or themselves become more diligent in keeping peace. Runner's World magazine aims to help runners achieve their personal health, fitness, and performance goals, and to inspire them with vivid, memorable storytelling. Nathan Shepherd is a pastor in the Florida Keys. In addition to the pulpit, Nate runs Reef Restoration Ministries in Candle Key, Florida. His wife Maya, a CPA, runs a low-income taxpayer clinic. Nathan and Maya venture to the magnificent mountain town of Aerie, Colorado to see if they can't help Jill Van Horn, a friend who's been accused of murder. In Aerie, they find an eclectic group of characters--most of whom think Jill had good reasons to stab her boss and throw him out of her twin-engine plane. Nathan finds the local power structure to be either crooked or incompetent, or both. As the trail leads to northeastern Arizona, the stakes rise to \$4 million in readily

marketable bearer bonds. Back in Aerie, Nathan and company engineer a calculated ruse and it appears they have the leverage, and connections, to round up the bad guys. However, the roots of the conspiracy run deeper than they imagined. With the good guys all trapped, Nathan must find a way to save his friends. Even then, the kingpin of the scheme slips through the web of law enforcement and only Nathan's fancy footwork can bring him to justice.

Womens Health magazine speaks to every aspect of a woman's life including health, fitness, nutrition, emotional well-being, sex and relationships, beauty and style. In your pocket is something amazing: a quick and easy way to summon a total stranger who will take you anywhere you'd like. In your hands is something equally amazing: the untold story of Uber's meteoric rise, and the massive ambitions of its larger-than-life founder and CEO. Before Travis Kalanick became famous as the public face of Uber, he was a scrappy, rough-edged, loose-lipped entrepreneur. And even after taking Uber from the germ of an idea to a \$69 billion global transportation behemoth, he still describes his company as a start-up. Like other Silicon Valley icons such as Steve

Jobs and Elon Musk, he's always focused on the next disruptive innovation and the next world to conquer. Both Uber and Kalanick have acquired a reputation for being combative, relentless, and iron-fisted against competitors. They've inspired both admiration and loathing as they've flouted government regulators, thrown the taxi industry into a tailspin, and stirred controversy over possible exploitation of drivers. They've even reshaped the deeply ingrained consumer behavior of not accepting a ride from a stranger—against the childhood warnings from everyone's parents. Wild Ride is the first truly inside look at Uber's global empire. Veteran journalist Adam Lashinsky, the bestselling author of Inside Apple, traces the origins of Kalanick's massive ambitions in his humble roots, and he explores Uber's murky beginnings and the wild ride of its rapid growth and expansion into different industries. Lashinsky draws on exclusive, in-depth interviews with Kalanick and many other sources who share new details about Uber's internal and external power struggles. He also examines its doomed venture into China and the furtive fight between Kalanick and his competitors at Google, Tesla, Lyft, and GM

over self-driving cars. Lashinsky even got behind the wheel as an Uber driver himself to learn what it's really like. Uber has made headlines thanks to its eye-popping valuations and swift expansion around the world. But this book is the first account of how Uber really became the giant it is today, and how it plans to conquer the future. The author will convince you with warmth and humor that it is possible to live a rich fulfilling life without consumer debt and she'll show you exactly how to do it. A nationally recognized automotive expert with years of experience explains essential car maintenance, how to talk to a mechanic, safe driving under all road conditions, and more. Illustrated. Trophy wife Celeste Beard wasn't satisfied with a luxurious lifestyle and her rich Austin media mogul husband's devotion -- so she took his life! The wife: She wanted everything, but her husband stood in the way. The lesbian lover: A love-struck, middle-aged woman with a history of mental illness, she would do anything to set Celeste free. The beauty salon receptionist: Celeste hired her to tie up the loose ends ... in a second conspiracy to commit murder. "We Dissent" boldly takes the Constitution back from the Rehnquist Court that has reneged on its promises, and eloquently shows us what the Constitution can be at its best--a progressive guardian of liberty, equality, and justice for the most vulnerable.--David Cole, author of "Enemy Aliens." Get carried away on the wings of Angels! Angels of the Unborn should be given to every high school and college student in North America. It's the kind of book today's readers yearn for: fast-paced, a gripping plot, beautiful Rocky Mountain setting, fascinating characters, and a story that needs to be told. The novel intertwines two searches, one for a psychopathic killer who murders abortionists and bombs their

clinics, and the other a search for souls. Guardian angels prick the minds of their strong-willed charges and ask them one crucial question: "Is abortion murder?" As the characters search for the answer, they realize they must make a choice for Heaven or Hell, a choice that takes them on a harrowing journey of life, death and redemption. This is a book that will keep you awake reading all night and thinking about its major questions all day. Dr. Betty B. Bosarge Author and Criminologist Angels of the Unborn is chock full of all the elements of a favorite book: human interest, metaphysical happenings, love, romance, intrigue, and philosophy. A great companion and closure to Elizabeth Laden's first novel, Mystic Warriors of the Yellowstone, Angels is a must read. Readers will be transported to new worlds and situations that somehow seem familiar. It's one of those books whose characters stay with you long after you've finished it, and get you asking, "When's the next one coming out?" Get carried away on the wings of Angels. A. B. Ledbetter Inspirational Writer, Journalist, and Believer in Angels Baton Rouge, Louisiana The most trustworthy source of information available today on savings

and investments, taxes, money management, home ownership and many other personal finance topics. Men's Health magazine contains daily tips and articles on fitness, nutrition, relationships, sex, career and lifestyle. Beyond the glitz and glamour of the Las Vegas Strip, someone is about to die. Alison Carter's world is upended when her boss is murdered in front of her eyes. What she doesn't know is things are about to get much, much worse. Detective Brad Gilmore has dealt with his fair share of homicides, but he's about to face the biggest challenge of his career. What he expects to be a straightforward murder investigation turns into anything but. Yet with all evidence pointing to Alison, he's under pressure to wrap things up quickly. Now Alison and Brad are in a race to find a killer. If Brad fails, this may be the end of his career. But for Alison, the stakes are much higher. The happy life she once took for granted is in danger of being shattered forever . . . and she just might end up serving time for a crime she didn't commit. Each edition includes information for that year and several previous years. What do you do when the system you've sworn to serve and protect marks you for death? Jamal, D-Ball and Andre

are back for an **EXPLOSIVE** spin-off to the **A Thug's Redemption** series, only this time, one of them is not making it out alive! Jamal was positive that he'd seen the last of corrupt police officers when he took down Kristoff and every dirty cop that was working with him. But a new discovery puts him in even more danger than before. After a bomb is planted in his car nearly killing him and his partner Dante, Jamal is made aware that a hit has been put out on him by none other than his brothers in blue. While trying to protect his partner, Dante runs into another problem when a teenager catches a police shooting of an unarmed Black man on his phone which puts a target on his own back. Dante must choose between being "Detective" Dante the cop or "D-Ball" the no non-sense having thug wit zero fucks to give in order to save this kid as well as his partner. Who will make it out of this drama-filled street novel alive? **Cartier GG Timmons and Monya Money White** were born to teenage mothers who were also best friends. The two young neglectful mothers allowed Moneys alcoholic grandmother to raise their daughters. At 15, GG formed her own crew aptly named the **Cartier Cartel**. The main and only vision of the crew GG, Money, Bam, Lil

Mama, and Shanine was to do petty crimes in order to wear the flyest gear. While Money loves boys, clothes, and cash (in that order), GG is tired of the petty boosting to keep a few dollars in her pockets. Always wise beyond her years, GG observes how the corner boys hustle drugs and figures her crew could do the same. Can they compete with rival dealers and avoid taking the fall when the block gets hot with 5-0? Or will they find themselves spiraling out of control as sex, drugs and money deepen tensions between the crew. Explore the world of the hit game through the eyes of the lovable robot, Pathfinder, as he chronicles his journey throughout the various environs of the Outlands to interview his fellow Legends -- all in the hope of finally locating his mysterious creator. The rich history of Apex Legends is explained by the characters that helped to shape it, as are their unique bonds of competition and camaraderie. Funny, witty, entertaining and a reality check. This book deals with everything from abuse, divorce, interracial relationships and promiscuity. Beautiful Valerie is breaking the family tradition by being the first to file for a divorce. She was miserable in her marriage and couldnt

see herself in a loveless marriage. Jasmine is absolutely breath-taking; you would never know shes in an abusive relationship. Her boyfriend beats her but never touches her face. Lynne misses her deceased mother so much she sleeps around to pacify the pain. Cassandra is a single mother of one. She decided to date a man of a different race. Shes paranoid that everyone is staring at them when theyre out and passing judgement. Mario is the sweet male friend, but a controlling boyfriend. He only dates women who are dependent upon him and very passive. He wants to be their everything, but once they step out of line he takes everything away from them. He treats them like kids. Positive, career oriented, aggressive women take on the dating scene. The men outnumber the women 7 to 1 so these women are having a ball. They know what they want and they will stop at nothing to get it. The most trustworthy source of information available today on savings and investments, taxes, money management, home ownership and many other personal finance topics. ONE OF THE BEST BOOKS OF THE YEAR, The Economist and The Financial Times "Harrowing" true stories from two years of immersion reporting on the migrant trail from Chiapas to Arizona—an "honorable successor to enduring works like George Orwell's The Road to Wigan Pier" (New York Times) One day a few years ago, 300 migrants were kidnapped between the remote desert towns of Altar, Mexico, and Sasabe, Arizona. A local priest got 120 released, many with broken ankles and other marks of abuse, but the rest vanished. Óscar Martínez, a young writer from El Salvador, was in Altar soon after the abduction, and his account of the migrant disappearances is only one of the harrowing stories he garnered from two years spent traveling up and down the migrant trail from Central America and across the US border. More than a quarter of a million Central Americans make this increasingly dangerous journey each year, and each year as many as 20,000 of them are kidnapped. Martínez writes in

powerful, unforgettable prose about clinging to the tops of freight trains; finding respite, work and hardship in shelters and brothels; and riding shotgun with the border patrol. Illustrated with stunning full-color photographs, The Beast is the first book to shed light on the harsh new reality of the migrant trail in the age of the narcotraficantes.
