working with the air force CCATT team. When she's not deployed, she oversees the trauma unit at MCV Hospital in Richmond, Virginia. While tremendously accomplished in her professional life, her personal life bears scars that are both visible and unseen—sleeplessness, PTSD, moral trauma, survivor guilt, two divorces, and a service dog accompanies the traits of a nation's hero that is still only human. The book *1300 Hours* introduces an unlikely pairing of a Major League Baseball hopeful and a widow, who opens a physical therapy practice in the city. Dalton Michelson, a B-list celebrity-athlete, has absolutely no concept of military life or how to navigate the culture of the fairer sex since suffering a personal loss. You bet, we help over 30,000 students per year prepare for and dominate the TASC to the best of their ability. Our reviews speak for themselves. Q. Why should I buy the Smart Edition book instead of any other options, how are you different? A. It's pretty simple, you get better quality material that is more accurate to what is on the actual test and way more online resources and tools for your money. Feel free to study from a different study guide that is just okay, but not great, however, we don't recommend it. Make sure any practice test workbook you buy checks off these items: Material that accurately represents what's actually on the test ☐ Video lessons for every skill and lesson in the book ☐ Practice tests both in the book and online ☐ Flashcards online for every subject Features: 1. 4 Practice tests containing 1,300 realistic questions and explanations Practice and repetition are one of the best ways to become more familiar with the material and the test itself. You can take the tests online as many times as you like. 2. Scored practice test report At the end of your online test, you receive a scored report with your score for each section and a breakdown of your strengths and weaknesses. This is crucial to know

when deciding how to approach studying for the test. If you can identify your weak areas then you will know where you need to focus your studying, the time this saves you is invaluable. 3. Online video lessons You'll have access to over 100 video lessons covering every topic and lesson on the test. People like to learn in different ways, it's likely you would benefit from having both chapters in print as well as a video lesson to talk you through it. 4. Online flashcards for every subject with over 400 flashcards Flashcards are essential to reinforce what you are learning, it's safe to say you won't find any other study guides that include online flashcards. Amazing! You made it all the way to the end of this product description. So what are you waiting for?
