Mood Prep 101 Feb 27 2021 "Depression in college students has reached a crisis and the prevalence continues to rise. The increasing psychological distress of the current generation, Gen Z, and their greater willingness to obtaining mental health care have overwhelmed most college counseling services. Despite this sobering news, parents can play a critically important role and the book describes a plan for supporting and preventing depression in young people. Each chapter concludes with practical suggestions and strategies for parents. There are four sections. The first section is a description of adolescent development and the types of depressive symptoms and disorders that may emerge. The second section details the foundation that students need in order to move toward a successful college experience, including family support, communication and assertiveness skills; the development of self-efficacy and problem-solving skills; the process of self-regulation, and distress tolerance. Barriers to self-regulation and optimal development include underage substance use and unsafe sexual relationships. The third section examines vulnerabilities to depression, including cognitive distortions, perfectionism, and the stress of being a sexual minority or an overweight and thus subject to harassment. Challenges faced by students are seen as "different," are explored. what happens to students who are seen as "different." The final section is a description of life on campus including the stresses of college life and the opportunities to develop friendships, relationships with faculty, and a more meaningful view of the future. There are chapters on how to access mental health services before and during college. The book concludes with a call to reduce stress on students and challenge the competitive individualistic culture"--*The Secrets of Enduring Love* Mar 31 2021 The Secrets of Enduring Love focuses on what couples actually do to maintain, nurture and nourish their relationships. The reader will be taken on a journey through different ways of doing relationships, focusing on the key themes which came out of the research: everyday acts of kindness and appreciation; the importance of home; communication and conflict management; sex and intimacy; incorporating others into the relationship (children, pets, friends, hobbies); and telling your own love story. One of the key messages from the research is that different things work for different people, and at different times in the relationship. For this reason the book focuses on the different practices that we might bring into our own relationships, helping us to recognise the small things which we may be already doing but which ordinarily go by unnoticed, and offering a helping hand to find out what works best for us.

The Man Who Came Uptown Dec 16 2019 From writer and producer on HBO's THE WIRE and THE DEUCE comes one of the most critically-acclaimed crime novels of the year: 'He is, quite simply, among America's finest crime writers. This latest story does not disappoint ... lyrical, beautifully observed and constantly surprising, it is a delight' Daily Mail 'In his first novel for five years, Pelecanos demonstrates why he deserves to be regarded as one of the best American crime novelists ... It's a moving tale, beautifully told' The Times * * * * Anna Byrne is a jailhouse librarian. In a place where hope is hard to find, the power of books can be a light in the dark. For some of the prisoners, her work is life-changing. Like Michael Hudson, her best student, who's been locked up awaiting trial before his sudden release. He's relieved to be free - to 'come uptown', as they say - but can't shake the question: why is the witness who put him behind bars is suddenly refusing to testify? There's a man who might have the answer, but he wants something first. Phil Ormazian is a private investigator who moonlights as a petty criminal. He's not exactly proud of it, but times are hard in Washington, D.C. People have to change to survive, or die trying. But everything comes at a price and, at some point, everyone has to pay... * * * * Praise for George Pelecanos: 'Perhaps the greatest living American crime writer' Stephen King 'Outstanding' Sunday Telegraph 'Powerful' Observer 'American crime writing at its finest' Independent on Sunday 'Terrific' Elmore Leonard 'Powerful' Michael Connelly 'I love the way he writes: economical, rhythmic, elliptical and angrily political' Val McDermid 'Hard-boiled fiction with heart' Sunday Telegraph 'Pelecanos has joined James Lee Burke and Lawrence Sanders at the high table of contemporary crime greats' The Times 'The coolest writer in America' GQ 'Gold-standard character-driven crime writing that few will ever match' Financial Times

Fair Play Apr 19 2020 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the "shefault" parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

Hardball Feb 22 2023 Great companies stumble and fall when they lose it. Highfliers crash when a competitor notices they don't have it. Start-ups shut down if they can't develop it. "It" is a strategy so powerful and an execution-driven mindset so relentless that companies use it to gain more than just competitive advantage—they achieve an industry dominance that is virtually unassailable and that competitors often try to explain away as unfair. In their "hardball manifesto," authors George Stalk and Rob Lachenauer of the leading strategy consulting firm The Boston Consulting Group show how hardball competitors can build or maintain an enviable competitive edge by pursuing one or more of the classic "hardball strategies": unleash massive and overwhelming force, exploit anomalies, devastate profit sanctuaries, raise competitors' costs, and break compromises. Based on 25 years of experience advising and observing a range of companies, the authors argue that hardball competitors can gain extreme competitive advantage—neutralizing, marginalizing, or even destroying competitors—without violating their contracts with customers or employees and without breaking the rules. A clear-eyed paean to the timeless strategies that have driven the world's winning companies, Hardball Strategy redefines and reinterprets the meaning of competition for a new generation of business players. George Stalk and Rob Lachenauer are directors of The Boston Consulting Group. Stalk is the author of *Competing Against Time*, the classic work on time-based competition.

Clear Confusion Jan 29 2021 Kathy M. Howard has again charmed her readers with a story of intrigue and suspense. You will become Charlotte's greatest cheerleader as she struggles through her journey to recovery. Linda Gilden, author, writing coach, conference director, and avid reader What am I going to do, God? Who am I? Charlotte Hallaway needs to come to terms with her father's death. He had been her only family, and she wasn't handling her grief well. It was just supposed to be a few weeks of peace and quiet to process it all, but then she saw them—a drug deal and a murder within seconds of each other. And they saw her. Now running for her life, Charlotte boards a bus to escape her pursuers and wakes up the next morning in the woods of Jennings, Georgia, without a memory of how she got there or of who she is. All she knows is an underlying fear she can't seem to shake. When two hunters find her battered and scared, can she put aside the clear confusion she's experiencing to trust them? She wants to trust them, especially Nicholas, but fear is holding her back. Trust is incredibly hard when one is so clearly confused. Could it be he and his friend are not who they claim to be? Who are they really . . . and who is she? Additional Endorsements: Kathy has a God-given gift for writing. She skillfully uses it here in a story that will have you hooked from the first page. I'd use the same two words to describe this book as I would to describe its author: Quality and Substance. P.S. I'm buying this for all my friends. Jackson Bailey, Bean and Bailey Comedy Duo and inspirational speaker Be prepared to stay up all night with Kathy M. Howard. Once again, she's captured the curiosity in all of us by her talented use of pacing, suspense, and realistic characters that you connect with right away. Kathy's storytelling abilities spring you right into action alongside Charlotte and you'll be sad when the final page is turned. Shan Walker, freelance writer, travel journalist, and book addict

A Couple's Guide to Happy Retirement And Aging Oct 26 2020 "Wise, practical, wryly good-humored, and immensely helpful, this book is a must-read for the millions of boomers entering retirement age." —Jane Mansbridge, PhD, Adams Professor, Kennedy School, Harvard University A Couple's Guide to Happy Retirement is the most comprehensive book devoted entirely to relationship issues in retirement. Not a treatise on money management, this is a much-needed guide to the psychological aspects of retirement and how to make your retirement relationship happy, fruitful, loving, and successful. Written by a psychologist specializing in work and family issues, and drawing from actual accounts from retired couples, this book helps you prepare emotionally for the dramatic life changes during retirement, coaches you to find new purposes to your life beyond work, nurtures the relationship with your companion to strengthen your friendship and love, explores sexuality after retirement and how you can enjoy each other as much as you did as a younger couple, and recommends strategies to successfully deal with differences around money, time together versus apart, housework, and family relationships. It is crucial that couples prepare themselves and their marriages psychologically for what could very well comprise a quarter of their lives. A Couple's Guide to Retirement shows you how to do that—so that you'll have the time of your lives. "An extremely helpful perspective in meeting the challenge of aging and retirement, young or older." —James I. Ausman, MD, PhD, and Carolyn R. Ausman, BSS, executive producers and creators of The Leading Gen® "A wise, optimistic, straightforward, and practical guidebook . . . I highly recommend it." —William Pinsof, PhD, founder and past president of Family Therapy Institute, Northwestern University

Redemption Jul 23 2020 It is New Year's Eve 1945 in a small Soviet town not long liberated from German occupation. Sashenka, a headstrong and self-centered teenage girl, resents her mother for taking a lover after her father's death in the war, and denounces her to the authorities for the petty theft that keeps them from going hungry. When she meets a Jewish lieutenant who has returned to bury his family, betrayed and murdered by their neighbors during the occupation, both must come to terms with the trauma that surrounds them as their relationship deepens. Redemption is a stark and powerful portrait of humanity caught up in Stalin's police state in the aftermath of the war and the Holocaust. In this short novel, written in 1967 but unpublished for many years, Friedrich Gorenstein effortlessly combines the concrete details of daily life in this devastated society with witness testimonies to the mass murder of Jews. He gives a realistic account of postwar Soviet suffering through nuanced psychological portraits of people confronted with harsh choices and a coming-of-age story underscored by the deep involvement of sexuality and violence. Interspersed are flights of philosophical consideration of the relationship between Christians and Jews, love and suffering, justice and forgiveness. A major addition to the canon of literature bearing witness to the Holocaust in the Soviet Union, Redemption is an important reckoning with anti-Semitism and Stalinist repression from a significant Soviet Jewish voice.

Writing in the Works, 2016 MLA Update Oct 06 2021 In this fourth edition of WRITING IN THE WORKS, the authors have maintained their dual focus on writing as both an academic and practical tool. At the same time, they have updated the content and the spirit of the book for the contemporary writing environment. Students learn to write for the digital world—where visual and verbal messages are inseparable—and do so by exploring serious ideas that will engage a real-world audience. Throughout the book, and in three new chapters, the authors emphasize the skills of synthesizing, defining, and evaluating—skills central to the development of good academic writing and good real-world writing. Students are encouraged to take chances, think big thoughts, and practice skills which will prepare them to ride the global communications wave as more confident, capable writers. This edition has been updated to reflect guidelines from the 2016 MLA HANDBOOK, Eighth Edition.
