Indian Popular Fiction Dec 23 2022 This anthology explores and validates the nuances of Indian popular fiction which has hitherto been hounded by its ubiquitous 'commercial' success. It uncovers popular in its socio-political and cultural contexts. Furthermore, it investigates the vitality embedded in theory and praxis of popular forms and their insurrections in mutants and new age oeuvres and looks to examine the symbiotic bonds between the reader and the author, as the latter articulates and perpetuates the needs of the former whose demands need continual fulfilment. This constant metamorphosis of the popular fueled by neoliberalism and postmodernity along with the shifts in the publishing industry to more democratic 'reader' driven genres is taken up here along with the millennial's fetish for romance, humanized mythical retellings and the evergreen whodunnits. As its natural soulmates, the anthology delves into the interstices of Indian Popular with desi (local) traditions, folk lore, community consciousness and nation building. Please note: This title is co-published with Manohar Publishers, New Delhi. Taylor & Francis does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka.

Yoga Mala Dec 31 2020 "One of the great yoga figures of our time, Sri K. Pattabhi Jois brought Ashtanga yoga to the West more than thirty years ago. Based on flowing, energetic movement coordinated with the breath, Ashtanga and the many forms of vinyasa yoga that grow directly out of it have become the most widespread and influential styles practiced today. Yoga Mala --a garland of yoga -- is Jois's authoritative guide to Ashtanga. In it, he outlines the ethical principles and philosophy underlying the discipline, explains important terms and concepts, and guides the reader through Ashtanga's Sun Salutations and the subsequent primary sequence of forty-two asanas, or poses, precisely describing how to execute each position and what benefits each provides. It is a foundational work on yoga by a true master"--Publisher's description.

Tirumantiram - A Tamil Scriptural Classic Oct 09 2021 Tirumantiram is the seminal text of Saiva-Siddhanta which has produced a galaxy of saints and has powerfully influenced the day-to-day life of millions in South Indiageneration after generation. Its author Tirumular was according to legend a yogi who took compassion on a herd of cattle that had lost their shepherd and entering the body of the shepherd by his yogic power continued to look after the flock. So when we find in this great classic such splendid gems as ""Anbe Sivam-- God is Love -- we realize that the great yogi preached only what he lived. His fervent message that the ultimate Reality is One and all of us belong to the same family has special relevance to us moderns who have lost our moorings of faith and are wandering between two worlds one dead the other powerless to be born. Apart from the literary merits Tirumantiram blazes a number of spiritual trails any of which the aspirant can follow with the full confidence that the Goal Supreme is within the reach.

Almost Single Feb 25 2023 In a city where old is meeting new, daughters are surprising mothers, and

love is breaking all the rules, this heartfelt and wickedly funny cross-cultural debut novel introduces a smart, irreverent young woman searching for independence and matrimony in a culture bound by tradition. Between elegant soirees and the occasional mortifying mishap, Aisha Bhatia's job as guest relations manager at New Delhi's five-star Grand Orchid Hotel is intermittently fabulous—she certainly knows her wines and cheeses. But despite a life filled with good friends and first-class travel accommodations, the fact is that not many twenty-nine-year-old women in India are single—as Aisha's mother never fails to remind her. Somewhere a clock is ticking, though as far as Aisha is concerned, it can be cheerfully drowned out by laughter over a champagne brunch. Yet when the handsomely chiseled Karan Verma arrives from New York, Aisha experiences an unexpected attitude adjustment. Karan is everything she's ever wanted...that is, if she actually knew what she wanted. Is it possible that she's about to find out? Savvy, sexy, and unforgettable, *Almost Single* tackles the loving, exasperating tug-of-war between mothers and daughters, traditional customs and contemporary romance—and what happens when a modern Indian woman is caught in the middle.

The Starch Solution Apr 15 2022 A bestselling author's groundbreaking eating plan that challenges the notion that starch is unhealthy From Atkins to Dukan, the fear-mongering about carbs over the past few decades has reached a fever pitch; the mere mention of a starch-heavy food is enough to trigger a cavalcade of shame and longing. In *The Starch Solution*, bestselling diet doctor and board-certified internist John A. McDougall, MD, and his kitchen-savvy wife, Mary, turn the notion that starch is bad for you on its head. *The Starch Solution* is based on a simple swap: fueling your body primarily with carbohydrates rather than proteins and fats. This will help you lose weight and prevent a variety of ills. Fad diets come and go, but Dr. McDougall has been a proponent of the plant-based diet for decades, and his medical credibility is unassailable. He is one of the mainstay experts cited in the bestselling and now seminal *China Study*—called the "Grand Prix of epidemiology" by the *New York Times*. But what *The China Study* lacks is a plan. Dr. McDougall grounds *The Starch Solution* in rigorous scientific fact and research, giving readers easy tools to implement these changes into their lifestyle with a 7-Day Quick Start Plan and 100 delicious recipes. This book includes testimonials from among the hundreds Dr. McDougall has received, including people who have lost more than 125 pounds in mere months as well as patients who have conquered lifethreatening illnesses such as diabetes and cardiac ailments.

Never Trust a Lady May 16 2022 Bestselling author Suzanne Robison takes readers back to the days of the Civil War, as passions run high and even a proper British lady cannot resist the pull of history—or the rugged charms of a Union spy. Visiting friends in Mississippi, Lady Eva Sparrow hopes to escape the tedium of London society's social calendar. Instead she is appalled by the slavery she finds in the South. Though she is a British citizen, her heart demands that she do something to improve the slaves' lot. But little does the lady imagine that she possesses the tools for espionage, the influence to turn the tide of a Confederate plot, and the courage to root out a rebel assassin. Texan Ryder Drake works for President Lincoln, setting up a network of spies across the Confederacy. Seeking Britain's support, Ryder is introduced to Lady Eva, who has powerful political connections in London. Unwilling to trust the fate of the Union to a silly socialite, he dismisses the lovely lady—until her sharp wit and intelligence win him over . . . head and heart. And though Eva is no innocent, just one dangerous glance from Ryder sets her pulse racing—and readies her spirit to risk everything to help him infiltrate society's highest circles.

The Sea Lies Ahead Mar 14 2022 In 1947, young Jawad Hassan gives up his ancestral home in India and his fiancée Maimuna for a dream country founded by Jinnah. And even though the newly created state of Pakistan is thronged by a huge number of zealous Muslims ready to lead from the front, the rapid breakdown of law and order in Karachi makes many, like Jawad, retreat into reminiscences of their past in undivided India. The second in Intizar Husain's acclaimed trilogy, *The Sea Lies Ahead* takes up the story of Pakistan where the first novel *Basti* (1979) ended: poised on the verge of breaking off from its eastern arm. This is a novel about those muhajirs, the author himself among them, who went to the promised Land of the Pure and were met with mistrust, prejudice and apathy. Equally, it is a rich portrait of the new culture of urban Pakistan fostered by people who came from the countless towns and hamlets in and around Lucknow, Meerut and Delhi. Bringing alive unforgettable characters with its sparkling prose, this novel is a powerful exploration of Islamic history and the story of Pakistan's great disillusionment.

Relations Manager at the Grand Orchid Hotel. I dine at luxury hotels and stay in five-stars during my travels; I can name old and new world wines with great elan, and can tell my cheeses apart. Wickedly irreverent and laugh-aloud funny, *Almost Single* is a delightful romp through the five-star world of champagne brunches, gay soirees, and the dilemmas of hip, young girls on the lookout for love and matrimony.

Indian Popular Fiction Feb 01 2021 The scholarly essays in this book open up experimental and novel spaces and genres beyond the traditional and the literary world of Indian Popular Fiction as it existed towards the end of the last millennium. They respond to the possibilities opened up by the technology-driven and internet-savvy reading and writing world of today. Contemporaneous and bold, most of the essays resonate with the racy and fast-paced milieu and social media space inhabited by today's youth. Combative in its drift, this book makes possible an attempt to disband hierarchies and dismantle categories that have engulfed the expansive landscape of Indian Popular Fiction for too long. It facilitates discussion on graphic novels, microfiction, popular-entertainment and political satire on television and celluloid, social media-driven romances existing in the domain of the 'real' rather than that of 'fantasy' and mythological readings against the backdrop of gender and politics. Aimed at facilitating further research by scholars and enthusiasts of Indian Popular Fiction, this book is also an ode to the current trends generated by social and internet media cosmos. Please note: Taylor & Francis does not sell or distribute the Hardback in India, Pakistan, Nepal, Bhutan, Bangladesh and Sri Lanka.

Single Man Apr 22 2020 'I shall get power, by hook or crook, but once I have got power I will do good work.' Here is the tale of one of India's most talked-about politicians as never told before, from the acclaimed biographer of Laloo Yadav. A dispassionate unlayering of the complex persona behind Nitish's person: ditherer and gambler, tentative and determined, gullible and astute, effacing and ambitious, introvert and interventionist, loner in the crowds he courts. Part personal diary of Bihar, part hard political portraiture, part unsparing perspective, a seamless weave of contemporary political shenanigans, reportage, storytelling and analysis from a dim corner of the country Nitish Kumar set out to light up. This is as much exploration of his zigzag but focused rise to power and what he means to Bihar as of what he could become on a larger stage.

Zindaginama Jun 24 2020 It is sometime in the first decade of the 20th century. The British Imperialists

have been in India for over 150 years. However, life in the small village of Shahpur in undivided Punjab has remained largely unchanged. The menfolk look to the wealthy and worldly-wise Shahji and his benevolent younger brother Kashi for support and advice, while it is Shahji's wife's home and hearth that is the centre of all celebrations for the women. Local disputes, trade, politics, a trickling of news from the Lahore newspaper are all discussed every evening at the Shah's haveli. But as the Ghadar Movement gains momentum elsewhere in Punjab and in Bengal, bringing into focus the excesses of the British, the simple village of Shahpur cannot help looking at itself. The discontent has set in. Krishna Sobti's magnum opus, *Zindaginama* brilliantly captures the story of India through a village where people of both faiths coexisted peacefully, living off the land.

Those Pricey Thakur Girls Dec 11 2021 In a sprawling bungalow on New Delhi's posh Hailey Road, Justice Laxmi Narayan Thakur and his wife Mamta spend their days watching anxiously over their five beautiful (but troublesome) alphabetically named daughters. Anjini, married but an incorrigible flirt; Binodini, very worried about her children's hissa in the family property; Chandrakanta, who eloped with a foreigner on the eve of her wedding; Eshwari, who is just a little too popular at Modern School, Barakhamba Road; and the Judge's favourite (though fathers shouldn't have favourites): the quietly fiery Debjani, champion of all the stray animals on Hailey Road, who reads the English news on DD and clashes constantly with crusading journalist Dylan Singh Shekhawat, he of shining professional credentials but tarnished personal reputation, crushingly dismissive of her 'state-sponsored propaganda', but always seeking her out with half-sarcastic, half-intrigued dark eyes. Spot-on funny and toe-curlingly sexy, *Those Pricey Thakur Girls* is rom-com specialist Anuja Chauhan writing at her sparkling best.

Why Loiter? Nov 10 2021 Presenting an original take on women's safety in the cities of twenty-first century India, *Why Loiter?* maps the exclusions and negotiations that women from different classes and communities encounter in the nation's urban public spaces. Basing this book on more than three years of research in Mumbai, Shilpa Phadke, Sameera Khan and Shilpa Ranade argue that though women's access to urban public space has increased, they still do not have an equal claim to public space in the city. And they raise the question: can women's access to public space be viewed in isolation from that of other marginal groups? Going beyond the problem of the real and implied risks associated with women's presence in public, they draw from feminist theory to argue that only by celebrating loitering—a radical act for most Indian women—can a truly equal, global city be created.

Tripura Rahasya Oct 29 2020 A beautifully realized synthesis of the ancient tradition of Advaita Vedanta and Tantra.

Advaita as a Global International Relations Theory Nov 22 2022 The academic discipline of International Relations strives to attain a 'global' spirit to narrow the cognitive gaps between the West and the Rest. On the one hand, there is the hegemonic presence of mainstream universalist Eurocentric IR theories, and on the other the counter-hegemonic presence of particularist Post-colonial and De-colonial non-Eurocentric IR theories. Nevertheless, both theoretical traditions endorse 'epistemological dualism' that essentially separates the 'theorizing-subject' from the 'theorized-object'; thereby failing to bridge the gaps. This book uses the monist schema of 'subject-object merger' in the ancient Indian philosophy of Advaita to inaugurate a Global IR theory. In the global theoretical schema of Advaitic monism, the apparent particularist reality is supplemented (not contradicted) with the hidden universalist reality – the net result of which is a reconciliation of dualism with monism at the theoretical-practical level. The possibilities of this reconciliation have not been estimated at either level and as such, this untapped intellectual strategy stands to enrich both Eurocentric IR and non-Eurocentric IR. Shahi establishes Advaita as an alternative epistemological-methodological tool to re-imagine the complex realities of contemporary international politics. This fully fledged Global International Relations Theory will appeal to students of international relations, political theory, administrative theory and philosophy.

He Is Honey, Salt and the Most Perfect Grammar Nov 29 2020 Murugan -- the younger son of Shiva and Parvathy, the younger brother of Ganesha -- is a tricky and temperamental god, but he is beloved of the poets. Fittingly then, Kala Krishnan Ramesh's contemporary bhakti poems in *He Is Honey, Salt and the Most Perfect Grammar* speak in the voices of many poets. We don't always know who they are, but as the poems unfold, one voice emerges above those of the rest. She is the god's favourite poet, a woman whose whole life revolves around him.

An India For Everyone Sep 08 2021 India is the world's third largest economy in terms of purchasing power parity. For a country that had become mired in a mindset of being an almost-ran, it is quite an achievement. Alongside, however, are some startling statistics. It has, for instance, the largest number of poor people in a single country - an estimated 300 million below the poverty line. Literacy remains at an appalling low, with 273 million illiterates in 2011, making it the country with the largest illiterate population on earth. On the health front too, India is home to 40 per cent of the world's undernourished children. One-fourth of the world's childbirth deaths and one-fifth of its infant deaths take place in India. In *An India for Everyone: A Guide to Inclusive Development*, Amarjeet Sinha, an education expert who has played a major role in designing the Sarva Shiksha Abhiyan and the National Rural Health Mission, offers a companion dream to the economic one. An India that has truly been able to provide a decent sustenance to its billion plus people. He examines key issues of under-nutrition, health care, education and social security. Crucial to providing these is reforming the public recruitment system, decentralizing authority and increasing accountability among government servants, which will help bring about better public systems in the country. Going beyond politics and economic reforms, this book addresses the issues that truly form the bedrock of where we want to be.
