Dragon shifters and their mates heat up the pages in these sweltering romances. Pierce A group of dragons traveled from Scotland to the New World a millennium ago to guard a treasure that none could know of. Their homes and lives are hidden from the world of humans and supernatural beings. Until Pierce saves the life of a woman during an avalanche. And now he's put the entire legacy on the line. Jasmine isn't your average girl. She's a part of the fae. And now some damned dragon gave her his blood to heal her. Didn't he realize that dragon's blood is toxic to the fae? His dragon brethren don't care if she lives or dies—actually, they'd just as soon as un-complicate matters and see her dead. But that's not so easy for her or the dragon that saved her. Smoke Alina may have saved the mate of a dragon, but that didn't make her the friend of any dragons. And the feeling is mutual. The dragons have no use for her either. Except for Smoke. This hunky powerful dragon has decided he has to have the fae healer as his mate. Come hell, high water, dragons, or fae. Cash Iron is kryptonite to Cash and his dragon shifter clan. He offers to be the guinea pig in a laboratory to help them overcome their weaknesses. Unfortunately, Cash didn't count on meeting a sexy doctor called Carissa. Carissa's no stranger to shifters. Her cousin has hooked up with one of Miami's Everglade shifters. But she has no clue that there's such a thing as dragon shifters. She thinks she's helping out an average, run-of-the-mill wolf, bear, or tiger shifter. And Cash doesn't tell her his secret. Then again, Carissa's got a secret of her own. Her nephew has been kidnapped. The only way she can get him back is if she delivers the blood of the shifter she's supposed to be finding a cure for. Fence Fence is on a mission. Returning to Scotland to find out what happened to the dragons. The old country is so very different than it used to be. What he discovers in Scotland is alarming. No bodies just signs of a struggle. The other thing he discovers? An American girl who proves a distraction to his mission. The last thing Ciera expected to find when she went to Scotland was a dragon shifter. No, make that the last thing she expected was to fall in love with one. Gate A dragon heartbeat reveals the Scottish dragons are still alive and the Appalachian dragons go on a mission save their kin. One little detail they didn't count on, though. A certain brunette firecracker of a stowaway who's hell-bent on proving herself, and proving her mother wrong. Said firecracker's mother? None other than the formidable Mary. Poor Gate, he's in for a hell of an adventure, and that's before the mission even begins. Miles Miles has watched all the dragons in his Appalachian clan find their mates. Now he's flying solo. Will a week off in the Caribbean lead him to his fated mate? Savannah's got a death wish and a secret. Why did this dark brooding man have to save her? She didn't ask to be saved. During her second year at Cursed Academy, Giselle has three goals: 1.) Stop her friends from turning into monsters. 2.) Make sure she doesn't turn dark. 3.) Get out of Cursed Academy. When Giselle returns for her second year at Cursed Academy, it doesn't take long for things to go south. Sure, she's on the verge of slowing down her friends' transformations into monsters, as well as slowing down her own horrific changes. But that doesn't matter when her best friends, Maria and Mikey, take a curse meant for her—a curse that could ruin their lives. Unless Giselle steals a rare herb from the Underworld. And there's only one person who can get her there: Wendy, her arch enemy. After Giselle took her crush, Ronin, how hard can it be to convince her? And how hard can it be to get around someone who's determined to keep Wendy and Giselle at each other's throats? Join the adventures—and misadventures—of Monkey D. Luffy and his swashbuckling crew in their search for the “One Piece,” the greatest treasure in the world. As a child, Monkey D. Luffy dreamed of becoming King of the Pirates. But

With timid eyes and a curious nature, Christy is the first woman to bewitch my heart. The first woman I envision past one night. The first woman I long to keep. Will Christy's demure disposition satiate my urges? Satisfy the beast inside me? From the moment he offers his arm and escorts me around the club, his deep baritone whispering in my ears, Rick Mathewson owns my heart. With poise and confidence, he soothes my soul. Settles the ghosts of my past. Sparks me back to life. He introduces me to a new way of life. A new world. And with Rick by my side, I discover everything my life has been missing. Or so I believe, until my best friend moves away and life tailspins. A world of secrets. An insatiable hunger. An undying devotion claiming their souls. And I never want her to release it. From the very beginning, my relationship with Liz Warren was a firestorm. Hot. Intense. Unrelenting. I never imagined being loved the way Liz loves me. Smoldering and sweet. Fierce and gentle. Blazing and heartfelt. Her love fulfills me. Her love incomparable. The only real love I've ever known. I wish I could tell Liz all my secrets. Wish I could shed my past. A past which is slowly catching up to me. When the love of your life proposes, exhilaration should course through your veins.
