In a world that isn't always kind to marginalized communities, it is important to continually educate yourself to better understand others' experiences. **A Little More than Kin** Jul 16 2022 The second novel of the Darby Chronicles follows Ollie Jordan, a man with no education, no mentors, and a serious Freudian hang-up. A family history of poverty, stubborn pride, and a culture that runs contrary to mainstream society have robbed Ollie and his people of opportunity, even hope. They live by a culture of "succor and ascendancy." When Ollie is evicted from his shack, he breaks his drinking rules and heads out into the wilderness with his disabled son, Willow, literally chained to him. Father and son are doomed. How that doom plays itself out, as experienced by the disturbed but insightful Ollie Jordan, is what makes *A Little More Than Kin* unique in contemporary American literature. Hebert gives his rural underclass protagonist the depths of a tragic hero. Though *A Little More Than Kin* is action-packed and its prose is clean, hard, lyrical, and sometimes very funny, the book is at its heart an exploration into a brilliant mind that has laid waste to itself. This novel will appeal to readers who enjoy prose that explores the human psyche at its most perverse.

**The Evolution of Bruno Littlemore** May 14 2022

Bruno Littlemore is quite unlike any chimpanzee in the world. Precocious, self-conscious and preternaturally gifted, young Bruno, born and raised in a habitat at the local zoo, falls under the care of a university primatologist named Lydia Littlemore. Learning of Bruno's ability to speak, Lydia takes Bruno into her home to oversee his education and nurture his passion for painting. But for all of his gifts, the chimpanzee has a rough time caging his more primal urges. His untimely outbursts ultimately cost Lydia her job, and send the unlikely pair on the road in what proves to be one of the most unforgettable journeys -- and most affecting love stories -- in recent literature. Like its protagonist, this novel is big, loud, abrasive, witty, perverse, earnest and amazingly accomplished. *The Evolution of Bruno Littlemore* goes beyond satire by showing us not what it means, but what it feels like to be human -- to love and lose, learn, aspire, grasp, and, in the end, to fail.

**A Little More of Meade MacGuire** Jan 22 2023

For much of Meade MacGuire's life there was a single passion, a single message, that came from his pen and voice ? Christ Our Righteousness. That powerful message, that had first come down to him from its presentation at the 1888 General Conference sessions, found in him an ally and advocate that kept that fire burning well into the next century. Probably there is no clearer voice, are no clearer presentations, than those made by Meade MacGuire on this topic. By God's grace, these few reprinted articles will ignite the fire anew in our hearts.

*May I Hebb Your Attention Pliss* Jan 10 2022 The wave of liberalization in the 1990s changed forever the face of India. It bolstered the economy. It raised the stock index. It raised hem lines of skirts even more. It led to the growth of the fashion police And also the moral police. Numbered items became item numbers. To the twenty-two scheduled languages were added C, Cobol, Java. You were either watching sitcoms or starting dotcoms. News became entertainment. Entertainment became news. Terror struck the country-sometimes in the form of gunmen from across the border and sometimes in the form of Bollywood movies. To SMS-ize-'It wuz da best of tyms, it wuz da wrst of tyms' Having been a part of this chaotic revolution in popular culture, blogger Arnab Ray of greatbong.net takes a funny, sarcastic, politically incorrect and totally irreverent look at assorted random stuff including Bollywood C-grade revenge masalas, ribald songs of the people, movie punching, fake educational institutes, stubborn bathroom flushes, unreal reality shows, the benefits of corruption, opulent weddings, brains in toaster ovens, seedy theatres and pompous non-resident Indians.Nothing here is off-limits and no cow too holy.We guarantee it

A Little More Luck Nov 20 2022 A Little More Luck-and a lot more laughs-continues the wonderful globetrotting lifestyle of Frank and Maria Nelson. Three years after leaving their adopted home in New Zealand, and armed now with freshly-minted American green cards, the pair settle down for a year in Colorado. In the city of Boulder, the newly arrived journalists and nurses find themselves grappling with such slippery customers as political correctness, prairie dogs, the tax man, the effects of altitude and more trashy television channels than can possibly be good for you. Next the nomadic Nelsons return to England for 10 more months of hilarious house and pet-sitting with Animal Aunts-plenty long enough to appreciate that when it comes to the British and their animals, it's not just the dogs that are barking. Frank and Maria also find time to explore France and Spain besides taking trips to New Zealand, Australia, South Africa and Mexico. Finally it's back to the States, this time to check out those crazy Californians in sunny San Diego. World travel as a way of life is a hell of a job, but somebody's got to do it "This very funny sequel to All You Need is Luck crackles with dry British humour and will delight travellers the world over."
